

### Special Election in Eola District May 8

Special election 30 all editions Eola Fire District will hold a special election Friday, May 8, at Salem Academy between 8 a.m. and 8 p.m. to vote upon a 7 mill tax levy necessary to obtain protection from Salem's fire department.

were determined to be sufficient and directors added an additional mill making a total of 7 for protection and operation of the district.

Eola Fire District consists of a six-mile square area containing about 75 homes. Eola Acres forms the western boundary, Willamette river to the south, Salem city limits on the east and Gehlar road on the north. Much of the area is covered with brush, grass and timber growth making the district particularly vulnerable to fire such as threatened the entire community when about 200 acres were burned over in July, 1951.

Salem fire department has provided Eola district with protection during the interval of fire district organization and will continue to do so until May 25. However, if the \$500 or \$800 millage levy is not approved by the voters May 8, the Salem department will not respond to fire calls from the community after May 25.

After contacting other fire-

fighting agencies, district supervisors concluded that the Salem fire department offered a more adequate protection than could be obtained from other sources available.

Thursday election will be held in conjunction with another concerned with organization of a water district for the residential area near the Academy. This water district election is entirely apart from the vote on additional millage to give Eola fire district protection by the Salem fire department.
