and navigation.

The company later presented an alternative proposal under which three dams would be built instead of five, with provision for storage of about one million acre feet of water.

Chapman told Congress the

mammoth Hells anyon project
—which has not been authorized — would provide about 4,400,000 feet of water storage,
of which 3,880,000 would be or which 3,880,000 would be usable for power, flood control, navigation and other purposes.

Power revenues from the federal project, estimated by opponents to cost more than 400 million dollars, would be used to aid irrigation develop-

ment in the Snake River basin

Haag Appointed — A. C. Haag of Salem has been ap-pointed to the Marion county board of equalization which will meet May 11. The ap-pointment was made by Judge Rex Hartley and Delmer Davidson, oldest member of the budget committee of the Talbot area. Assessor Tad Shel-ton and County Clerk Henry Mattson will set in as advisers. Persons having complaints to make concerning the assessed valuation of their property must present them in notorized form within a week after the board convenes

Bound Over-John Payne, 1116 Nebraska street, pleaded innocent to a charge of burglary in district court Tuesday and waived preliminary hearing. He was bound over to the Marion county grand jury.

Driver Fined - Wesley J. Chrisman, Arlington, Wash., was fined \$250 in district court Tuesday on a drunk driving charge and was jailed in lieu of payment of the fine. He was arrested on the charge Saturday.

the budget, to re-establish our currency and, eventually to reduce taxes. The reduction is however, as great as, in our judgment, can be reconciled with the essential security of the United States."

Testifying before a joint session of the Seante and House Foreign Affairs committees, Dulles said there is no evidence Russia's threat to the free world has diminished—"or will diminish in the foreseeable atture." able future."

The new foreign aid pro-gram, he said, is "aimed at retaining the initiative for peace" which he said Presi-dent Eisenhower seized in his foreign policy speech April 16.

Among the amendments bat-ted down to defeat was one by Sen. Malone (R.-Nev.) to give all states the mineral rights in About 297.6 million tons of federal public lands. He termed freight were carried on the this an effort to "treat all inland waterways of America states alike." It lost on a voice

Traffic Code Violated by Salem Rats

Maybe the city administration is going to go after the rat nuisance by using the traffic code.

It seems that this is the migratory season for rate, and in Salem they are moving in two directions. That doesn't

two directions. That doesn't help, because they don't mi-grate far enough either way. Besides that, the rats going north use Commercial street and those going south use Liberty, which is a reversal of the one-way street system. So, at a meeting of the street department heads today, it was called to the attention of Chief of Police Clyde War-

ren.

Many complaints are reaching city officials about rats, which seem to be more numerous than for several

years. They are especially bad along the creeks, it is said, which is believed to be because of the food that residents leave on the creek banks for wild ducks.

And the rats not only steal the food from the ducks. They kill and eat the young ducks as well.

Squadrens Parade - Four squadrens in the Williamette university AFROTC program competed for honors Tuesday afternoon on Sweetland field, Judges consist of Edwin H. Armstrong, administrative as-sistant to Gov. Paul L. Patterson; Lt. Col. Chester Fritz and Capt. Dixon Van Ausdell, Jr., both of the air force reserve. Squadron leaders were Cadet First Lieutenants Donald Fisk, Fresno, Calif.; Kenneth Cooper, Seattle; William Colvard, Pendleton and Joseph Harvey, Salem. The winning squadron will be awarded the Governor's pennant at the president's re-view, May 19.
