NURSERY AND HOME Why not proudly amounce to your beas, "You have been a great suy to work for and I appreciate it to, but I am through, I quit. I have bought a home and a fine nurser;" Well, laying all poking aside, we have that nursery and home. The owner needs to retire. But the reason he can retire is because this nursery made him his stake. Now you are next, 617.60 for home, nurser; and land. Terms of course. (No doubt that can be worked out to everybedy's satisfaction).

A BUSINESS AND HOME A BUSINESS AND HOME
This may be the answer to your problem, so why not read this. Here
is a one bedroom home with an adjoining attractive store about 20 ft.
frontess, on the main street of a community near fishem. It is now
occupied by a sine store and shoe repair shop. (A business you can
buy iff you wish). But it is also a good spot for a beauty parlor,
barber shop, radio shop, or a doesn other thins. Home, store, sarage
and 45 ft. lot all for \$5550. As to terms, owner says "Work it out!"
Would consider a Salem home. Now honestly here is a chance to
