Towe Receives Judge's Oath

Silverton—C. J. Towe was sworn in as municipal police judge at the meeting of the Silverton council Monday night.

Towe was appointed due to the hospitalization of Walter Geren and will serve until Mr. Geren is able to reassume his regular duties.

On the resignation of Clifton Dickerson from the Personnel of the budget committee, R. B. Duncan was appointed by Mayor Harry Carson to fill the vacancy.

Council members named to serve on the budget committee are Errol Ross and Carl Hande. One other vacancy remains in the planning commission membership. This was due to the unexpected death of S. Parzy Rose who had served for several years.

Coming in for a lengthy discussion with one member of the council voting, "No," was the question of adopting, or not, the second reading of ordinance No. 415, that had to do with the Portland General Electric's proposed twenty-year term franchise. Ex-mayor, Errol Ross, now a member of the council, maintained that Silverton's "treatment since 1948 was not what he had considered fair," and cast a dissenting vote against passing the ordinance on second reading. Other members voted favorably.

Jim Clough, Salem, gave the explanation and answered questions in behalf of the company and the proposed franchise.

The bid of Earl Hartman of \$4,665 for providing the chassis for the three-axle fire truck for the city and rural runs, and a bid of \$7,930 from Howard Cooper of Portland for fully equipping the truck were accepted.

Union Sued By Theater

Pointing out that there is no dispute concerning working conditions, wages or hours, owners of the Hubbard Drive-In theater have started legal action in the Marion county circuit court seeking to enjoin Salem Local 613, International Alliance of Theatrical Stage Employees and Moving Picture Machine Operators, AFL, from interfering with the theater's operations.

Lee Davis and J. M. Kemper of Salem are named business agent and secretary, respectively, of the union in the complaint.

Owners of the theater, Thomas P., Harry F. and Larry M. Moyer and Emma Moyer Kane, contend that the operation of the theater is in their hands and that there is no need to employ a union film operator.

Subsequently the union placed a picket in front of the theater entrance.

Hearing on the request for a temporary injunction is set for 10 a.m. May 12.
