Worried-looking Mrs. Patricia Morrison, 27, of El Monte, Calif., faced a bleak future when this picture was taken after her arrest for stealing a pair of baby shoes for one of her three small children. Now as she awaits sentence on a guilty plea, she has a \$100 check from Actress Merle Oberon and the services of Miss Oberon's attorney, gifts of lesser sums of money from others, two pairs of shoes, and the offer of a rent free home.
