

Half Million Dollar Center for Lebanon

Lebanon — Plans for a shopping center costing approximately a half-million dollars in south Lebanon were disclosed this week by Fred Cubison, real estate dealer and member of a corporation that will finance and operate the venture.

The proposed center will include eight business units and four office spaces.

First official announcement of the enterprise was made this week at the city council meeting when Carroll Courtner, associate of the Cubison realty office, outlined the program and sought extension of the present business zone to include all the area for the proposed district.

The center will be located south of E street and west of Main. It will include Richie's Drive-in, already in business. The business section will extend 270 feet west on E street

and have a 326 foot frontage on Main.

The enterprise will require construction of an alley between Main and Second street, extending from E to Cox street, a newly paved, dead-end street extending along the south side of the center.

The eight business units, other than Richie's will include a furniture store, hardware, grocery, drug store, Bakery, dime store and farm store, the promoters pointed out. Four office spaces will house two small business units and two will be for professional units. All but the professional units have been allocated.

Financed
Cubison said that financing of the building venture will be met in part through local money raised by the corporation and the balance in form of a loan repayable by the corporation.

Each business unit will be individually leased, and a large parking lot with entrance on both Main and E streets, will accommodate more than 100 cars.

The realtor said construction will start immediately upon favorable action by the city council extending the present business zone.

The matter was referred to the council's building committee for a report back at the next council meeting.

Names of the tenants who will occupy the shopping center units were not disclosed.

The program will require the purchase and removal of six homes.

New Idea Used For Memorial

The Memorial Day subcommittee met last night at VFW hall to further plans for the annual memorial service for veterans who have died the last year.

In the past a church service was held in conjunction with a regular church service on the Sunday preceding Memorial Day. This year it is planned to have a special evening church service with the women's patriotic groups in charge. The patriotic men's groups will have charge of the parade, cemetery services, water service and program on Saturday, May 30. The evening church service will be held in the Presbyterian church at 7:30 o'clock with an invitation to all patriotic groups in Marion county, and closest relatives of deceased veterans including the European war.

James Callaway, president of the Federated Patriotic Societies of Salem, says this is the first time that a candle-light memorial service has been held in the evening and hopes it will be a success so that it may be held annually in the churches of Salem.

Bruce Williams is general chairman for Saturday, May 30 and he will name his committee. General chairman for the memorial church service on May 24 is Mrs. Ted Ullakko and assistant chairman is Mrs. Austin H. Wilson.

The following committee has been named by Mrs. Ullakko and Mrs. Wilson: Mrs. C. E. Forbis, Mrs. George Fro, Mrs. Louis Maurer, Mrs. Gus Erikson, Mrs. Blanche Stuart, Mrs. Henry W. Friesen, Mrs. Leroy Simpson, Mrs. Mary A. Champ, Mrs. Kathryn Carter, Mrs. A. Kenneth Smith, Mrs. H. G. Henderson and Mrs. Fred Gahlsdorf. Dave Hoss will be master of ceremonies.

TOP JAYCEE

Horace (Hunk) Henderson, Virginian, and national president of Junior Chamber of Commerce, who will speak at convention here.

National JC Head Coming

National Junior Chamber of Commerce President Horace E. (Hunk) Henderson will be the guest speaker at the state Jaycee convention in Salem this month, he assured the local chapter this week.

"We consider it a feather in our cap to get the national president of a group of 150,000 young men in over 2000 chapters all over the nation for our state convention," President Douglas Hay of the Salem chapter declared.

The Salem Jaycees are hosting the state convention this year on May 22, 23 and 24 with headquarters at the Senator hotel. About 350 Jaycees are expected from all over the state and about 150 Jaycee wives.

High points of the convention will be the election of state officers, the Saturday night banquet at which Henderson will speak and the ball following the banquet.

Henderson will fly here from his home in Virginia, giving Oregon's convention preference over many others in other states at the same time, Hay said.

Henderson has been active in Junior Chamber of Commerce work since 1946 when he returned home from the service to organize and head the Williamsburg chapter. He has been active in Williamsburg government and church and civic work and operating a real estate, insurance and construction firm.

Colliers to Be Semi-Monthly

New York (AP)—The Crowell-Collier Publishing company announced today that Collier's magazine will be published semi-monthly beginning with the August 7 issue.

Clarence E. Stouch, president of the company, said the 65-year-old weekly would be increased from 72 pages to 112 pages with the inception of the new publishing schedule. Stouch said there would be increased editorial content, but no increase in pictures. The newsstand price will remain 15 cents.

TOO ROUGH FOR HIM

Johnson City, N.Y. (AP)—The C's were too rough for his sign painter. The freshly painted traffic warning on the pavement near St. James' parochial school reads: "Cahool." And the "C" is reversed.

The longest losing streak by the Brooklyn Dodgers during the 1952 season was five games (July 25-29 inclusive).
