### Bloodhounds And Cons Flee Together

Roanoke, Va. (AP) — Police wanted to train a new bloodhound to track down fugitives.

So they released a pair of trusted convicts from a western Virginia prison camp with the stipulation they go to a certain destination and see if the dog could scent them out.

The dog tracked the men down in fine style then the convicts kidnapped the animal and took flight.

All three, convicts and bloodhound, were picked up later near Roanoke.

Frank Chapelle and Mrs. L. B. Detweiler.

No more meetings of the group will be held until October except the picnic May 21.

### Dam Building Costs Go Down

Washington (AP) — The cost of building big multi-million dollar dams has started going down, the Senate appropriations subcommittee handling the Army Engineer's civil works program was told Monday.

Brig. Gen. C. H. Chorpening, assistant chief of engineers for civil works, said the cost of such projects increased five per cent from July, 1951, to July, 1952, and three per cent more since that time.

Then he added: "The last several months, however, our bids have shown some trend downward. We hope that will continue."

He said that bids have become more competitive and closer to the estimates which Army Engineers place as the

actual cost of a project, without profit.

He agreed with a committee member that a slowdown in big construction jobs elsewhere over the country probably was a factor in the lower bids on government projects, but also advanced other reasons.

### Heavy Penalty Given Driver

Sweet Home — John J. Kroenlein, 21, of Foster was fined \$200 and began serving a 30 day sentence Monday when he pleaded guilty to driving while intoxicated and being in possession of stolen goods.

Justice of Peace F. A. Cornell, Sweet Home, imposed a \$500 fine and a 90 day jail sentence for each count. He suspended \$800 of the fines and 150 days of jail sentences.

Kroenlein was arrested by state police Sunday night following a 2 car accident east of Lebanon. Kroenlein's east bound Nash sedan left the highway and went into a ditch, then suddenly came back onto the highway to collide with a west

bound Ford sedan driven by DeWain Galloway of Sweet Home.

The Nash hit the Ford broadside causing injuries to Mrs. Galloway and 4-year-old son. Both were treated at the Lebanon hospital.
