Salem Executes Triple Play But Loses, 7-3

Yakima, Wash.—Lefty Bob Collins suffered his first West-ern International league I oss of the season (he had won five straight) here last night as the Salem Senators were beaten, 7-3, at Yakima.

The Salem infield executed a triple play in the first inning. Yakima had bases loaded when Len Noren hit a sizzling line drive to Salem third-baseman Mill Smith Smith Smith Speared the sall dinned to Gene Tannelli. Ball, flipped to Gene Tanselli covering second base for the second out, and Tanselli tossed to first-baseman Joe Clardy to complete the triple killing.

Noren, the man who hit into the triple play, later smacked a home run and a double to lead the Bears at the plate.

Jimmy Deyo, who commit-ted two errors from his center field position, led Salem stickmen with three hits in four times at bat. One of Deyo's hits was a double.

Collins was driven from the mound in the sixth, and Dick Strombach and Jim Petersen finished out on the

mound for Salem.

The two teams play again at Yakima tonight, with a double-header scheduled for Sunday.

A stellar performance by Bill Franks, both on the mound and at the plate, and a wild ninth inning were the feature dishes on the West-ern International League baseball bill of fare Friday

Franks twirled a two-hitter and singled in the only run of the game in the bottom of the the game in the bottom of the ninth as the Spokane Indians edged by the Tri-City Braves, 1-0. A Texas Leaguer and a beat-out bunt were the only two safeties off Franks.

The wild ninth was staged at Lewiston, where the Brones weathered a 10-run outburst by the Victoria Tyees to dump the Candians, 12-11. Three Brone nitchers paraded to the mound of the property of the text of the same of the text of the same of the text of the mound of the text of the text of the mound of the text of the mound of the text of the mound of the text of the text

pitchers paraded to the mound in an effort to douse the fire. The home-towners then gave the fans their money's worth by scoring two runs in the last of the ninth to grab the win.

In the other game played, Vancouver tripped Wenatchee, 5-4. A scheduled game between Edmonton and Calgary on the latter's home field was washed

PIN PATTER

We wrote sometime ago about the way scoring conditions had improved at the University bowl but the way Toy Linblad is hitting the alleys it looks as if he will be adopting them soon as his very own. Some weeksago, he shot the first sanctioned 700 on the alleys and then this week turns in the first perfect game ever to be recorded in Salem. Bowling mer-Sedgman record stands at in the Ragtime mixed doubles Toy put together games of 51-38 in favor of Big Jack, 300, 200, and 221 for a beautiful 721 series. Always nice to record an event such as this but especially so in the case of Toy Lindblad who is one of the nicest guys in the game. Always ready to help young bowlers, going out of his way. Kramer evened it up and they Always ready to help young bowlers, going out of his way to encourage bowlers of all categories. Toy is recognized in the northwest as one of the best alley proprietors and among the most popular Congratulations, Toy, and we hope you do as most bowlers do and shoot another real soon.

Out of town teams haven't too much luck bowling in Out of town teams haven't too much luck bowling in Salem leagues in the past but Wednesday night, the Northwest Poultry team from McMinnville won the second half of the Major League at the Capitol Alleys and qualified to meet Brennan Tree Service in the playoffs next Tuesday night for the league championship. If they defeat the Brennan Bunch, they will become the first outside team to win the major league championship. Amazing the way they always manage to be "un" for the hig series as the team does not be as a league of the series as the team does not be as a league of the league of "up" for the big series as the team does not boast a man over 175 in the averages. They stand a good chance of winning but first they will have to out-bowl Brennan's who have proved in the past that they also can come from way back to win the big ones in the major league.

In the major league meeting the other evening, there was a lot of discussion concerning the size of the league. Many are in favor of reducing the number of teams in order to strengthen the league as a whole, and with this opinion we heartly agree. Many would like to bow! in the majors but they should not be allowed to until they have proved their ability in a league of lower classification. At the present time there are three or four solid major league teams, while the rest are carrying bowlers who do not belong there. the rest are carrying bowlers who do not belong there. We are not trying to drive anyone from the alleys, but we do believe bowling should be like any other sport. First, you have to prove your ability, then maintain a standard, and when age finally creeps up on you, to retire from faster competition. It's easy that way in every sport so why not bowling. There wasn't a man in the majors last year that I did not count a friend so I know they will take this in good grace when I say that there were some who were not ready and they know it. Consequently, by reducing the size of the league some of these men will have to return to the minors but with steady work and practice, they can soon return because bowlers are continually on the watch for men to strengthen and will go with a man who proves himself a solid competitor.
