

360 Acres Added to Silver Falls Park Area

Enlargement of beautiful Silver Falls park was made possible by the acquisition of an additional 360 acres of land purchased by the park division

of the state highway department from private owners. Funds to purchase this property are being obtained from the sale of timber on isolated park lands to which the federal government hold reversionary title.

State Parks

Oregon's state parks division, too, is making improvements that vacationists will enjoy. On the coast, improvements are being made at Cape Lookout state park near Tillamook, Spencer creek, south of Otter Rock, Humbug mountain state park, Harris beach state park, Big Creek, south of Newport, Lost Creek north of Waldport, and at Tillamook Head near Cannon Beach.

Improved camping facilities are expected to be ready at Emigrant springs state park on U. S. 30 between Pendleton and La Grande and picnic facilities at Hat Rock state park near McNary, east of the McNary dam on the Columbia river.

In all, over 200 state parks will be maintained for the enjoyment of all

Improvements and new accommodations are on the increase in the Beaver state. Over 100 more facilities, including hotels, motels and resorts, were licensed during last year than during 1951.

A new eastern Oregon resort is called Boulder Park Resort, located on Eagle creek at the edge of Eagle Cap Wilderness area in the Willowa mountains.

You Can See Oregon By Bus, Train, Plane
