REDS GRANT VISAS HUSBAND DEPARTS

Hollywood (P)—Actress-director Ida Lupino's third husband, actor Howard Duff, has left their home, and she sees little hope of reconciliation.

Miss Lupino said yesterday: "He told me he wasn't cut out for marriage and didn't want to be marriage. This only happened in the last two days and it came as a shock to me."

REDS GRANT VISAS

Vienna, Austria (P) — The Communist Romanian government Thursday granted visas to four American news correspondents to visit Bucharest. It was the first time in more than three years that American correspondents have been permitted to go to Romania.

Married Oct. 21, 1951, they have a 14-month-old daughter, Bridget.
