SOMETHING A MAN CAN BE SURE OF...

They say at Yellowstone National Park that you can set your watch by *Old Faithful*. Before the entranced eyes of countless tourists this famous geyser spouts its steaming fountain every sixty-four minutes.

Too bad there aren't more things in life that a man can be sure of . . . and more people he can call "faithful."

As we realize the multitude of uncertainties in life we understand the ageless appeal of Christianity. It has satisfied man's yearning for Certainty. In Jesus Christ and his teachings we glimpse a God who is FAITHFUL, and whose faithfulness provides the firm foundation of man's FAITH.

Join the millions who are turning to the Church to find the truths a man can be sure of!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
