Communicable Disease—Fifteen instances of communicable and reportable diseases were registered with the Marion County Department of Health during the week ending August 1. Indicating that the surge of measles was on the way out, only five cases of this disease were reported—all being outside of Salem. Other diseases reported included: 2 each of mumps, gonorrhea, syphilis, and whooping cough and 1 each of malaria and German measles.

Fender Skirts Stolen—Fred Vincent, Amity, reported two fender skirts were stolen from his car. The theft occurred Monday about 1 p.m. while the car was parked on a parking lot at the southwest corner of Front and Court streets.

Toastmasters Picnic—Capitol Toastmasters club announces its annual potluck picnic for Toastmasters and their families for Thursday evening, starting at 6:30. The place will be Carl Damaska's home, Sunnyview and Fisher roads. It is announced that baby sitters will be furnished those who need them.

Illegal Selling Charged—Vernon Nash, Route 8, Box 511, was cited in District Court Monday on the charge of selling motor vehicles without first obtaining a license from the Secretary of State to carry on such business.

Case Dismissed—Charges were dismissed Monday against the Midget Market which had been charged with selling sausage containing artificial coloring matter. The dismissal was granted after the defense moved that the case be dropped because of lack of evidence.

Fender Dented—Arnold Overman, 3510 Liberty road, reported that while his car was parked in front of the U.S. National bank on State street late Monday morning his automobile fender was dented, apparently by a car which had been parked next to his.

Dutch Mill Burglarized—The Dutch Mill tavern, 897 North Commercial street, was broken into early Tuesday morning and about \$20 was stolen, the proprietor, Mrs. Madeline Leroux, reported. The burglar gained entrance by breaking through a plywood facing covering a window. Twelve dollars was taken from the juke box coin box, \$7 from the coin box of the shuffleboard, and about \$1 in nickels was taken from a glass jar behind the bar.

Assault, Battery Charged—Woodrow Johnson, 1090 North 18th street, was arrested Tuesday morning on a Municipal Court warrant charging him with assault and battery. The warrant was served him at his place of employ, the Bausch and Lomb Lens Grinding plant, located in the 100 block of South Church.

83rd Congress
(Continued from Page 1)
Eisenhower will give the nation his own estimate of this session's achievements in a radio broadcast Thursday, from 8:30 p.m. to 9 p.m., EST, to be carried by all major networks and possibly rebroadcast later.

Letters of Appreciation
Last night he sent letters of "warm thanks and appreciation" to the house and senate for the long hours they put in. There was no hint in the letters of any chagrin over his biggest legislative misfire: a plea to boost the statutory debt limit.

But there was a hint, or appeared to be one, of no intention to call a special session in the fall. With the debt now \$272½ billion and more borrowing predicted, Eisenhower's fiscal leaders had been insistent that the statutory debt limit be raised from \$275 billions to \$290 billions.

A special session in October or November was obviously in prospect. But Eisenhower said in his letters to the members of congress "I look forward to seeing all of you again in January."

Addition Approved For Armory at Grove
Approval has been given a contract for the construction of an armory addition at Foster Grove at a cost of \$47,728. Maj. Gen. Thomas E. Riley, Oregon adjutant general, said Tuesday.

The addition is being built under the law passed by congress, which provides for 75 per cent federal support and 25 per cent state. The state's share is \$11,932 and the federal government, \$35,796.

The addition will house a kitchen, offices, classrooms, lavatory facilities, ordnance vault, supply and locker rooms. A motor vehicle storage building was constructed there in 1951.

Driver Injured as Police Give Chase
Walter Kinnan, 2480 North Fourth street, was arrested on a drunken driving charge by police officers early Tuesday morning.

Kinnan was observed spinning his car's wheels as he left a stop sign at 12th and State streets, and officers in a patrol car took chase. Before being able to overtake Kinnan, another patrol car also took part in the chase.

Before the police were able to catch Kinnan, his car struck a parked vehicle in the 700 block on State street. Kinnan received injury to his face and first aidmen were called. Kinnan was removed to the Memorial hospital where he is being retained for treatment.

LATE SOCIETY

Lt. Hale Married Recently
Announcement has come of the marriage of Miss Lorraine Dionne of Berlin, New Hampshire, to Lt. Paul Allen Hale, Jr., USN, son of Mr. and Mrs. Paul A. Hale of Salem.

The couple were married recently in California and are expected to be in Salem within the next two weeks for a visit at the Hale home. Following their stay here, Lt. Hale will report back to his ship, the Destroyer USS Shields, out of San Diego.

The young Hales plan to make their home in Salem later when Lt. Hale is finished with his naval duties.

Perfect Attendance Honor to Dr. Morris
Loren Douglas of Newberg, district lieutenant governor, today presented Dr. Henry Morris with a certificate denoting 32 years of perfect attendance at Kiwanis meetings. Dr. Morris has one of the longest such records of any Kiwanian in the United States of Canada.

Douglas predicted that Salem will have a good chance to capture the 1954 Northwest district convention at the 1953 convention to be held soon in Yakima. He also spoke of the recent international convention in New York, attended by 14,000 Kiwanians.

Eivind Berdal, Norwegian exchange student at the University of Illinois, who is working in this area this summer, was a guest. President Jim Hunt presided.

Soldiers Want Mail—Mail in Korea seems to be the cry of many of the servicemen stationed over there. Two more Army men have written the Capital Journal saying that they hope Salem area people will write them. The men are Pvt. Dale Johnson, RA-1946-3345, and Pvt. Noe Garcia, US-56135580. Both of the men are with company M, 7th regiment of the Third division and have the San Francisco APO of 468.

70 Americans
(Continued from Page 1)
On the eve of the great exchange, Red Cross representatives from both sides crossed the line at Panmunjom to begin inspection of prisoner camps and to comfort the homebound captives.

Thirty Allied members went north, the first time in more than three years that any Allied representative has gone into North Korea without fighting. Thirty Reds came south under protection of U. N. military police, grinning like schoolkids at their first ride in helicopters.

Panmunjom Restless
Panmunjom itself rustled restlessly as The Hour neared. The Reds said the first group of 100 men to be freed would be sick and wounded — 35 American, 50 South Koreans, 8 Turks, 2 Filipinos, 1 Briton, 1 Australian, 1 Canadian, 1 Belgian and 1 South African.

An hour later, at 10 a.m., they'll hand back 50 South Koreans, 25 British, 10 Filipinos, 7 French, 7 Colombians, and 1 Greek.

The 11 a.m. group will include 35 Americans, 15 Turks and 50 sick and wounded South Koreans. At noon, 100 South Koreans will be released.

Movies for Lions—A motion picture, entitled "The American Road," portraying the "dramatic and unprecedented" growth of the United States over a span of 50 years, will be shown during the weekly luncheon of the Salem Lions club at the Marion Thursday noon. The annual Lions club picnic will be held August 20.

VOTERS LAND IN NEW WARDS

Seven of Salem's eight political wards get new boundaries by an ordinance bill now before the city council. The above map shows the boundary lines as they will be if the council approves the bill, which will shift several thousand voters into wards in which they have not been before. No city council member, however, is dislodged. Wards 1, 2, 3, and 4 are increased in size. Wards 5, 6 and 7 are reduced. Ward 8 is unchanged.

New License
(Continued from Page 1)
Oregon since 1947 is 47 per cent. License revenues have gone up from about \$6,000,000 a year to almost \$12,000,000—an increase of 98 per cent, Healy said.

In the same period receipts from the gasoline tax have increased by 44 per cent, increasing from \$23,000,000 to approximately \$34,000,000 a year. Refunds Held Down

Healy pointed out that refunds of gasoline tax for non-highway use presented a rather remarkable aspect, inasmuch as these refunds in 1947 totaled approximately \$3,000,000, but in spite of the tremendous increase in use of gasoline and a one-cent increase, refunds in 1952 did not reach \$3,500,000.

The report revealed that cost of transacting the state's business in the department of state increased in about the same ratio as revenue increases.

All divisions of the secretary of state's office had revenue of \$59,368,872 in 1947-1949. The cost of administration in 1947 was 7.33 per cent and eight per cent in 1953.

The number of employees used to transact the business has gone up 53 per cent compared to the 74 per cent increase in revenues. Since 1947, the average monthly wage in the office was increased from \$173.78 to \$239.07.

Emergency Operation—Mrs. Kenneth Early, 1165 South 14th street, was taken to Salem Memorial hospital at 9 o'clock Saturday night for emergency surgery just 12 hours after her marriage. Judy Harper and Kenneth Early were married at Stevenson, Wash. Saturday morning at 9 and returned to Salem during the day Mrs. Early was stricken with acute appendicitis, necessitating surgery. She is progressing favorably.

Returns to Desk—Miss Margaret Lovell has returned to the general information desk at the Salem Chamber of Commerce after a vacation.

LaGrande Sunday had what residents described as the "worst" electrical storm in 60 years, and at least 23 fires were set in that area.

The Klamath district of the Rogue River national forest was reported to have a group of about 10 fires and smoke jumpers were sent to several fires set by lightning in the Willows forest in northeast Oregon. The Mount Hood National Forest also had fires.

There were three small blazes there, all brought under control. Two were believed to have started from lightning and the third from a smoker's carelessness.

A small lightning fire also occurred near Gilchrist in the Deschutes national forest.

There were also grass and brush fires attributed to lightning, with seven reported started in Central Oregon. Five of these were near Monument in Grant county.

City Wards
(Continued from Page 1)
Ward 1—Increased from 2000 to 2900, James H. Nicholson.
Ward 2—Increased from 1900 to 2900, Chester I. Chase.
Ward 3—Increased from 900 to 2600, Claud Jorgensen.
Ward 4—Increased from 2,200 to 2900, Dan J. Fry.
Ward 5—Reduced from 4400 to 3000, David O'Hara.
Ward 6—Reduced from 4300 to 2900, Tom Armstrong.
Ward 7—Reduced from 4000 to 2900, Robert F. White.
Ward 8—2100, unchanged, Fred Gibson.

Later the county clerk will announce a precinct revision that will increase Salem's present 45 precincts by a dozen or more.

Dulles Confers
(Continued from Page 1)
The secretary said he put aside heavy duties in Washington to fulfill a promise to discuss postarmistice American-Korean relations with Rhee. Before driving from the airport, Dulles said in a statement read to newsmen: Dulles' Statement

"I have flown from Washington to Seoul to meet again with my long-time friend President Syngman Rhee. I bring to him and his people the cordial greetings of President Eisenhower."

"President Eisenhower's trip to Korea last December demonstrated his deep interest in Korea and that is an abiding interest. . . ."

"I hope and believe that these talks, conducted on a basis of mutual respect and mutual co-operation, will help insure that respite from war, now made possible by the armistice, will be transformed into an honorable and lasting peace for all Korea. . . ."

"The guns are silent," Dulles said. "We have an armistice." He added that "we shall try" to concentrate on a common effort towards the unification of Korea by "peaceful means."

Forest Fires Break Out During Last Two Days
Oregon had its first rash of forest fires this week, with over 100 lightning fires started Sunday night and Monday in various forest areas protected by the state forestry department and others in federal forest areas.

Still other fires were expected to start Tuesday night with lightning storms forecast for the Klamath Forest Protective association area, the Deschutes country and the Fremont National Forest.

The Klamath area appeared from reports to have the greatest number of fires, with 84 reported to the forestry department. The fires, all started by lightning, were from west of Klamath Falls to the Jackson county line. Most of them were single smags.

One of the worst fires, according to a United Press report, was on Big Aspen Butte, due west of Klamath Falls. Part of this blaze was on U.S. Forest service land and smoke jumpers were dispatched from Grants Pass.

In the Northeast Oregon district, fair rains accompanied the lightning strikes, but 13 fires were reported caused by lightning strikes in the Ukiah area. All were small. Vance Morrison, administrative assistant in the Salem office, said Tuesday.

Lightning caused 20 forest fires in the Southwest Oregon district, with the largest being 15 acres. A fire fighting crew was having to hike in four miles to a lightning fire set at Evans Creek, where the blaze was reported to be under 10 acres.
