

### Redding Makes Five-Ton Club

Ernest A. Reding, Brooks, is the fifth Marion county strawberry grower to qualify for membership in the Five Ton Strawberry Club, announces County Extension Agent D. L. Rasmussen. Reding harvested slightly under 28 tons from 5 1/2 acres strawberries. About one third of the field was Marshalls and the remainder was the Northwest variety.

Other Marion county growers qualifying for membership in the Five Ton Club are Bernard Smith, Woodburn; Onas Olson, Salem; G. P. Connor, St. Paul; and Carl Nibler, Gervais. These growers will be among those honored at the Five Ton Club banquet in the Multnomah Hotel, Portland, on Friday, August 7. The banquet is scheduled for 6:30 p.m.

To accommodate those making last minute requests, Rasmussen will accept banquet reservations until 11:30 a.m. on Wednesday, August 5. Tickets are \$2.50 per person. Although reservations are necessary, those attending are requested to pay for their tickets at the banquet. The banquet is open to anyone interested in the strawberry industry.

Featured speaker will be Dr. George Darrow, U.S. department of agriculture horticulturist stationed at Beltsville, Maryland. Another important part of the program will be the awarding of lapel pins and certificates of membership to those growers who qualified for membership in the Five Ton Strawberry Club.
