"My goah, here it is well into August, and I haven't yet given you the particulars on our forthcoming Fashion Luncheon. Guess I follow the pattern of most men, always wait to the last moment to inform the little woman of my plans, but as the old saying goes, 'better late than never.' You can't really keep anything from the ladies anyway it seems, as the reservations for the Fashion Show on August 18 have been pouring in fast and furious. A good many mother and daughter duos are on the docket, as John Johnson has arranged a showing of the latest in back-to-school fashions as well as many stylish numbers for Mother. So, Mom, if you don't have time to call in your reservation I am sure that daughter will be glad to oblige. Perhaps she might even want to ask a friend or two and make a party of it. Luncheon is at 12:15, Fashion Show at 1:05 o.m., August 18. Call The Marion Hotel for reservations."
