

# Portland Climbs Back Into First Division on 7-4 Win

Portland (AP)—Five runs in a big fifth inning were too much for Oakland to overcome last night as the Portland Beavers downed the Oaks 7-4 before a Pacific Coast league night crowd of 3121. The win moved Portland back into the first division.

The Beavers, already leading with Don Eggert's second-inning homer, started hammering away at Oakland pitcher Al Gettel in the fifth, scoring five times on four hits an error. Eddie Basinski singled to left, Frankie Austin did the same, and Hank Artt walked to load the bases. Fletcher Robbe's single down the third base line to left field scored Austin and Basinski. Bob Marquis doubled to score Artt and Robbe, and scored himself moments later on an error.

Oakland got three in the sixth. With two down, Spider Jorgenson singled to right, Art Cutti drew a walk and Sam Chapman homered.

Each team scored in the ninth. Basinski tripled and scored on Royce Lint's outfield fly. Pete Milne pitched Basinski's triple, and scored on an infield out.

Lint was credited with his 15th win.

## KOCO to Carry Legion Games From Yakima

Radio Station KOCO announced Thursday that it will carry all Salem Legion games in the regionals at Yakima when they do not conflict with Salem Senator Western International League games.

KOCO will definitely carry the Salem Legion games Sunday and Monday. In the case of Salem Senator games conflict a resume will be broadcast after the game.

The exact times of the broadcasts will be announced later.

The sound of arrows slicing through the air and chunking into targets will herald the beginning of the Northwest Sectional Field Archery Tourney tomorrow afternoon. The meet, sponsored by the Washington Bow Hunters and Oregon Bow Hunters, will put on display some of the Northwest's most skillful quiver artists. Up to 400 are expected to participate in this, the first such competition of its kind in Oregon. The archery course is the 60 acre tract developed by the Salem Jaberwalkies, and will provide 98 individual targets of varying design. Hunting bows of 40 lbs. and over will be used by the men shooting in the expert A, expert B and bowmen classes, and broadhead arrows will be used. In other classes, including those for women and juniors, lighter bows and field arrows will be used. One of the most popular events will be the "Peewee" shoot—for kids under 12. Some of the youngsters are very proficient and can be depended upon for an exciting contest.

Registration of archers will begin at 10 a.m. Saturday, and will close at 1 p.m. Shooting will begin soon after. On Sunday the tourney will continue until the top bowmen are determined. Spectators are welcome, but they are requested to ask for a guide at range headquarters to show them around.

There will be a food concession at the course to take care of empty stomachs, and a good time should be had by all. The course is located 2 miles south of the city limits of Salem, just east of 99E. Look for the sign "Archery Range", and go in the direction it points.

Tony Buisman of the Riverside Boathouse on the Siletz stopped by the house last night, and informed us that a few salmon are being taken in the lower river. The blueback angling is still spotty, but an occasional lucky angler brings in nice catch. Plenty of good saltwater fish are being taken at present—perch and the like. Tony says the best thing about coast fishing now is the cooler weather there—and we can agree with him.

The longer duck season, later shooting time closure, and the increased bag limit recently announced for the Pacific flyway is making many gunners happy—but the fact remains that the new regulations were not set to please the hunter, but to eliminate to some extent the damage the birds have been doing to agricultural crops along their migratory route.

## Salem Girls Blanked 10-0 In Tournament

Portland—The South Salem Merchants were blanked 10-0 by Oswego here last night in the opening of the state Girls Softball tourney.

Oswego scored once in the bottom of the first, added five in the second, three in the third, and finished off the scoring with one in the fifth.

Carol Peterson was placed on the sidelines of the tournament when she wrenched her knee chasing a foul ball in the second. She was the starting hurler for the Merchants. Floribel Gordon singled twice for the losers.

Tonight the Salem nine plays Corvallis with the loser dropping from the tourney.

In other games last night The Dalles defeated Corvallis 4-1, Canby blanked Oakridge 3-0, and Hillsboro beat Eugene 12-7.

## Offense Stressed In Practice for Shriners' Game

Portland (AP)—Coaches of state and city teams continued to stress offensive play Friday in the fifth day of practice for the annual Oregon Shrine All-Star football game here August 22.

They agreed it might turn out to be a high scoring contest.

Pete Susick of Marshfield, head State coach, said his passers, Quincy Powers and Mill Richau, have been throwing accurately and his backs are fast.

Three of the speediest are Fred Hall of Prineville, a track sprinter, Floyd Burright of Springfield and Miles Boardman of Bend.

Harry Scarff, head City coach, said his team is fast, too, has good passers in Ron Stempel and Bob Clark and "receivers who can catch them."

The teams composed of graduated 1952 high school stars, have been working out twice daily at separate fields.

## Ken Burnett of Salem, new president of the Oregon Bow Hunters inspects the results of his shooting as he sharpens up for the Northwest Sectional Archery Tourney, to be held Saturday and Sunday at the local Jaberwalkie range.

## FAN FARE

## Olson's Manager Pleased With Terms of Contract

San Francisco (AP)—Bobo Olson's manager said today he was "very well pleased" with the terms of a world middleweight title fight between Olson and Randy Turpin.

Manager Sid Flaherty said the inclusion of a "no return bout" clause meant a "major victory for us."

"I'm very pleased with the deal," Flaherty said. "I didn't think English promoter Jack Solomons would give in, but we finally won out."

It was announced in New York yesterday that Turpin, European middleweight champ, had agreed to a 15-round title fight against Olson Oct. 21. The bout will be held in Madison Square Garden.

The agreement climaxed two months of wrangling over where the bout should be held and whether there would be a return match. Flaherty wanted the fight in San Francisco and insisted on only one bout.

"I'm very disappointed that we couldn't stage the fight in San Francisco," he said. "But my first consideration is to my fighter and now if Bobo wins he's got the title, period."

"If we went to England with the championship we wouldn't come back with it."

Flaherty said it was the no-return bout clause that decided him in favor of the New York date.

"We're gambling on the no-return bout clause," Flaherty said. "It's all or nothing."

## Grand American Trapshoot Gets Underway Today

Dayton, Ohio (AP)—The 54th Grand American trapshoot got under way Friday at nearby Vandalia.

The World Series of trapshooting, the Grand American will last nine days and attract

about 2,000 of the nation's top marksmen. Only about 190 of them were scheduled to participate in Friday's preliminary events.

The main show gets under way Monday with entrants from all 48 states, Canada, Cuba, the Canal Zone, Hawaii, Alaska and Mexico. They will be shooting for about \$400,000 in prize money.

## College Stars To Pass Against Detroit Lions

Chicago, (AP)—If you came to a brick wall, would you bash your head against it trying to get to the other side or climb over it?

The All-Star football game Friday night is something of a parallel.

The collegians, under head coach Bobby Dodd of Georgia Tech, are expected to try to beat the Detroit Lions, 1952 National Football League Champions, through the art of passing.

A crowd of 90,000 will gather at Soldiers Field, to watch the continuation of the series while uncountable others will hear it on radio or see it on television. The kickoff is scheduled for 5:30 p.m. PST.

The collegians haven't won since 1950 when Eddie LeBaron and Charlie "Choo Choo" Justice went wild to steer the collegians to a 17-7 victory over the listless Philadelphia Eagles. The pros have won 11 times, lost six and tied twice in the series.

Friday night the Lions are rated by the sharpies as a 14-point favorite.
