Salem Heights Water Adequate

Salem Heights—The Salem Heights Water district reports no water shortage this year and does not expect to have water rationing.

To some of the residents what seems to be a shortage is caused by inadequate distributing facilities where the lines are not large enough to carry sufficient water. Some pipe lines are being laid as an emergency to relieve the situation, although no main transmission lines are being put in.

The district is serving 636 meters and pumping from four wells. The district uses approximately 750,000 gallons daily. More water is used than ever before, due to more and larger lawns, and the soil needs more water than in some other areas.

No major fires have been reported so far in the Liberty Salem Heights fire district. Mostly grass fires have kept the firemen busy. A grass fire at Frank Meekers' at 2880 Pioneer Drive called the firemen out Friday afternoon.

No damage was reported. The fire, started from an outside incinerator. The firemen feel that the residents living in the area are becoming more fire conscious. Fire permits may be obtained from the fire chief or at Dickson's Shopping Center on U. S. 99E at 12th St. Junction.

According to tradition, King Arthur was born at Tintagel Castle in Cornwall.

A bit of this-n-that

—By—

GEORGE HUGGINS **SID BOISE**

We told you sometime ago that we would let you know the results of our survey wherein we asked the following question: "What do you consider to be the most important type of insurance coverage in a family insurance program?"

As a survey, we must admit it was a complete dud, although we did have one (1) hardy soul, (we love him!) who responded. He could probably give us a good argument too for naming Straight Life Insurance as the number one requisite. (He also thought that if all insurance agents were laid end to end it would be a darn good thing!)

This survey reminds us of the concert singer, who, after having finished a particularly difficult arrangement of "Ole Man River" was heard to mutter: "Thanks—both of you!"

Next week we'll tell you what the theorists have to say on the subject.

Lloyd Yunkers Derby Winner

Sweet Home—Lloyd Yunker who was sponsored by Week's Chevrolet Motor Company was the winner in a closely contested Bug Derby race held in conjunction with the Frontier Days Celebration in Sweet Home Friday afternoon.

Derby entrants, all who had previously raced in the event in Salem, were bound by Soap Box Derby rules and regulations.

The track, which was approximately 250 yards long, was located on 14th Avenue by the City Park.

Local Jaycees officiated at the event and Guy Oliver served as announcer on the public address system.

Yunker won out over Wilson Lalimer in the finals. Blue ribbons were awarded the winners in the runner-up heats and red ribbons for the losers.

FANCY THIS!

Tampa, Fla. (AP)—Robert B. Lane, district supervisor of the state beverage department, reported that an illegal whiskey still had been uncovered.

It was found on his own property, 20 miles southeast of here.

APPRECIATION

Miss Myrna Hansen, who won the title of Miss U.S.A. and finished second in the recent Miss Universe contest, receives a kiss of appreciation from Albert La Torra, whom she saved from the waters of Lake Michigan off Chicago. Fire Damages Roof at Albany

Albany—Fire broke out on the top floor of the D. E. Nebergall Meat company plant in East Albany Friday night, doing damage estimated at more than \$1000 before the firemen and the Nebergall employees were able to control the blaze.

Firemen said most of the damage, which might run as \$2000 was to the wooden roof. The rest of the building is of concrete construction.

Paul Paist, night engineer in the plant, grabbed a one and a half inch hose and stood on the roof of the plant to spray the flames with water after the fire was first discovered. Investigation revealed that the fire probably started by friction from a belt on a freight elevator.

FELLOW FEELING

Chicago (AP)—Joseph Feller, 34, walked into a saloon yesterday while two bandits were robbing the cash register of \$600.

One bandit interrupted his work to search Feller and found only \$1 in his pockets. "Keep it," the holdup man said, "you're a working man like me."

Salem Man Injured In Rear End Crash

Albany—Crashing his car into the rear of a slow-moving highway department truck, George Marlow, Salem, was slightly injured Friday afternoon on US highway 99E just north of the Albany city limits.

State police said the highway department employees were engaged in removing signs from a freshly painted center stripe. When the truck, driven by Arvid B. Larson, Salem,

stopped to allow the men to haul a larger sign onto the vehicle, Marlow's car hit the rear of the truck.

Marlow's car was heavily damaged. He was released from the Albany General hospital after treatment for minor cuts and bruises.
