**6L-17 KHARAFANNEL SKIRT, 6L-47 HEART-COLLAR PULLOVER**—Here's an ideal situation for campus, career, or home—a slender Kharafannel skirt by Jantzen, equally adaptable to dress or sportswear. Kharafannel is Jantzen's new highly-tailorable fabric woven from the same type Kharafleece yarns used in fashioning Jantzen's knit sweaters. Resilient, lastingly mothproof by Miltin and practically wrinkle-proof, note how it carefully molds the hips. Outside stitched-down darts accent the waistline . . . and the classic mood of this skirt is broken only by one kick-pleat in back. The five heather tones blend beautifully with the heart-collar pullover shown here, as well as other Jantzen sweaters. Skirt, 10-18, 14.95. Sweater, 32-40, 8.95.
