Rich Batter-Fried Chicken
Ingredients: 1 frying chicken (about 3 pounds ready-to-cook weight), 1 cup sifted flour, 1 1/2 teaspoons baking powder, 1/4 teaspoon salt, 1 egg (separated), 1/2 cup milk, 3 tablespoons butter or margarine (melted), extra salt, deep fat for frying.

Method: Have butcher cut chicken so there are two pieces of breast, 2 wings, 2 legs, 2 second joints and 2 pieces of back. Clean; drain. Sift together flour, baking powder and salt. Beat egg yolk until thick and pale yellow colored; beat in milk and melted butter; add dry ingredients and beat gently until combined. Beat egg whites until stiff but not dry; fold into yolk mixture. Have deep fat at 375 degrees. Fry in electric fryer or kettle. Taking up one piece of chicken at a time sprinkle lightly with salt and dip into batter; allow to drip slightly to remove excess batter; place in hot deep fat. Fry until golden brown and done through—12 to 15 minutes. Drain on absorbent paper; serve at once. Makes 4 servings.
