

### Vishinsky Attacks Rhee And U. S. Korean Policy

United Nations, N.Y. (AP)—Russia's Andrei Y. Vishinsky charged Wednesday that South Korean President Syngman Rhee is supported by reactionary circles in the United States and is doing everything possible to prevent a peaceful settlement in Korea.

Rhee during a policy speech before the General Assembly's 60-nation Political Committee. He said U.S. Secretary of State Dulles had agreed with Rhee not to resume fighting during the forthcoming political conference and added: "One wonders what will happen when the conference

ends." "Nobody is deluded by such phrases as "defense" and "security" used by Dulles and the South Korean President in their recent declarations. "Everybody knows that phrases of this nature have become standard phrases in aggressive agreements designed to cover up their true nature," Vishinsky continued. Vishinsky then turned to the question of the Korean peace conference, with an appeal for broad representation rather than confining the parley to

the "two sides" as advocated by the United States. The Soviet delegate contended that U.S. Delegate Henry Cabot Lodge, Jr., was wrong in interpreting the armistice agreement to mean that the conference should be limited to countries which actually took part in the fighting. The agreement, Vishinsky said, provides that representatives shall be appointed by the two sides but does not restrict their freedom of choice to the combatant countries. "His log-

ic does not make sense," Vishinsky said. "His interpretation is entirely fallacious." Russia submitted its own resolution proposing the inclusion of five "neutral" countries and six belligerents in the conference. INSTITUTE SEPT. 10-11 Albany — The Linn county teachers' institute has been set from Sept. 10 and 11 at Sweet Home, it was announced today by County School Superintendent W. H. Dolmyer.

### New Pavement For Woodburn

Woodburn—At the city council Tuesday night the improvement of Arthur St. by paving and Bryan St. by graveling were accepted and the assessment ordinance passed. An ordinance also was passed for graveling Joyce St. and portions of Marion and Johnson

Sta. in the Johnson addition. The coming election on Aug. 28 for the residents east of the highway on the question of annexation to the City of Woodburn was called to the attention of the council. Only registered voters in the territory to be annexed are eligible to vote. A fire permit ordinance was introduced but was tabled until the Sept. 1 meeting. The problem of making improvement of Railroad St. north from Hardcastle to permit passage in case of emergency

for residents in that area was discussed. Jess Fikan, as acting mayor, presided at the meeting in the absence of Mayor Elmer Mattson, who was called to California by the serious illness of a granddaughter. The council adjourned to meet Wednesday, Aug. 26, when bids on the new city fire truck will be opened. The women of the Nigerian Yoruba tribe dress their hair elaborately and ornament their bodies.
