

### SELECTED BIBLE PASSAGES BY SALEM AREA PASTORS

MATTHEW 6:34—Take therefore no thought for the morrow; for the morrow shall take naught for the things of itself. Sufficient unto the day is the evil thereof.

It's time to be up and doing! It's time to return to religion! That's what conscientious leaders are crying. Civic, educational, spiritual, political, even military men are urging a return to religion.... Why?

Because the principles found in the Bible are those upon which our western civilization is based.

Because the teachings of the Bible are the foundation of our own government—that each human has equal rights to life, liberty, and the pursuit of happiness.

Because the commandments to love both God and man—to do for others as we would have them do for us—these are the laws of living as we have known it.

But greed for wealth, lust for power, jealousy, disregard for human life—such are the evils that weaken the pillars of our existence.

Right this minute appoint yourself a vigilance committee of one. Make certain that you and your family support your church and its activities. Let's have a return to religion.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his community and nation. (2) For the sake of his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
