FIGURE IN CHANGE AT PENNEY'S

T. A. Rykowski, left, who leaves Sept. 10 to become as sistant manager of the new J. C. Penney store in Phoenix. Ariz., and his successor as assistant manager here, Virgil A. Duff, who came here in March, 1952.

Rykowski Goes To Phoenix

T. A. Rykowski, assistant Chamber and Junior Chamber. manager of the Salem J. C. Rykowski will be succeeded Penney store, will leave with as assistant manager here by his wife and son Sept. 10 for Virgil A. Duff, present manphoenix, Ariz. where he will ager of the women's ready to become assistant manager of a wear floor. He joined the Penney store, the sixth ney company while attending largest in volume of the Level by the company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the Level by the sixth ney company while attending largest in volume of the level by the sixth ney company while attending largest in volume of the level by the large that the large the large the large the large the large that the large the large the large that the large the large the large the large that the large the large the large that the large that the large the large the large that the large the large the large that th

Shown above are two out of many antique automobiles to be shown at the State Fair this year. Lett, the famous 1902 curved dash Oldsmobile. It is said the song 'My Merry Oldsmobile' was written for this car, the best known of all the old timers. Right, 1899 Locomobile steamer, a forerunner of the Stanley steamer

STOCKS be put into effect in the near future. Information to this effect has been received by Post-insater Albert C. Grage.

The new regulation applies to circulars which customarily size addressed merely to "occupant" of a certain street number. The circulars currently insulated behandled by postal elective, mailers of circulars currently insulated behandled by postal elective, mailers of circulars will inquire of the post office as to the number of patrons on each of the city delivery new least their culturars.

Instead of sorting the circulars.

Instead of sorting the circulars at the Labor Temple Wednesday of their circulars in packages of 50, with the rotte number of each of the city delivery new testing of interest to the mailer is 1½ cents for each circular. It is said the post office again have been dear the post office dear the county court. He assigned to the county court are as a submorized Thursday by the county court. Herefore the most may result in a saving.

Bond for Moving Big Objects Lowered

A reduction in the amount of bond persons mits secure in connection with moving large objects over the county road, such as buildings, was authorized Thursday by the county court. Herefore the maximum amount has been \$50,000. The new amount will be \$10,000 which coincides with state highway regulations.

However, the court decided to increase the liability bond is calculated to protect county employes in the seeding of the county road, such as buildings, was authorized Thursday by the county court. Herefore the maximum amount has been \$50,000. The new amount will be \$10,000 which coincides with state highway regulations.

However, the court decided to increase the liability bond is calculated to protect county employes in the seed of the count of the county court with the road of coverage for individuals. The seed of the count of the county court is considered to the protect county employes in the count of the county of the county court is considered to increase the liability bond is calculated to protect county
