

Elder Returned To Salem Area

Gilbert E. Schaeffner has been reassigned by the Oregon conference of Seventh Day Adventists to the Salem area. The area includes the Salem, Hopewell and Silverton churches. He has just concluded a four year term in Salem. This year, due to the increased size of the pastorate, Estill D. Richardson has been assigned as an assistant pastor to Elder Schaeffner. Another church has been established at Turner, although the church building has not been erected. The group meets regularly and will be included in the Salem area.

Mr. Richardson graduated in 1952 from Walla Walla college school of Theology and was assigned to the Spillman and Lyman Evangelistic group which conducted meetings in Salem last fall and spring. Previous to his entrance into the ministerial preparatory course, he was with the Navy Air Corps. For a period, following his discharge, he operated as a building contractor in Idaho. Ministerial assignments are required to fulfill a period of internship in various branches of the ministerial work before they are approved for ordination. This will begin his second year of internship. Mrs. Richardson, a graduate of the University of Idaho, is active in the music department of the church. The Richardsons have two children, Jacqueline and Buddy and reside on Barnes avenue.

An undisclosed number landed Tuesday after a non-stop trip from U.S. bases that was cloaked in military secrecy.

Tonight's announcement said, "The Japan landing by the huge B96 is part of the transpacific training exercise being carried out by the Strategic Air Command."
