FIRST CORINTHIANS, 2:9—Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.

DOWN HE GOES!

But he's a game little tike, this youngster so well-padded on the North side. Even though his pillow doesn't keep him from falling, it does cushion his falls while he learns how to balance himself, how to stroke, and swing.

It will be that way with his life, too—and yours. As you grow older you often feel the need of something to cushion yourself against the jolts that come suddenly in everyday living.

Since you learn to skate only by skating, and to live only by getting into the thick of life, you have to expect these mishaps.

If you cushion yourself with the true knowledge of God and His ever-present love and watchful care, you will feel these blows less.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
