No Annexation For Woodburn

Woodburn — Woodburn voters in the tract east of the Pacific highway defeated the proposal of annexation to the city of Woodburn by a vote of 28 to 1. The election was held Friday, Aug. 28, from 1 to 8 p.m. in the American Legion building on the highway.

The district proposed for annexation included approximately 30 acres with between 50 and 60 residents. Boundaries of the tract are approximately east of the Pacific highway, north of Tomlin Ave., west of the northerly extension of the present city limits and south of Harcastle Ave.

The election board consisted of Mrs. Lena Nehl, Mrs. Royal Hastie, Albert Rheinholdt, Mrs. George Timm, and Mrs. Helen Fulps.

The proposed annexation would have brought residents of the area into the scope of city fire protection and permit them to improve streets and develop a sewer system in connection with the Woodburn plant. The city would have gained between \$5 and \$6 a year per capita from the gasoline tax and would have had traffic control of the Pacific highway from Cleveland to Harcastle streets.

Cost of the election was borne by the city.
