

### Section Hand Hurt in Fight

Albany—Jackie Lee Cochran, of Uniontown, Pa., member of Spokane, Portland & Seattle railroad section crew No. 9, is in the Albany General hospital in a serious condition as a result of an assault by a fellow worker in the company's residence camp east of Albany Saturday.

Officers believe the weapon used was a stove poker.

At the hospital Monday Cochran named as his assailant a fellow member of the crew, with whom he had been working for some time. He did not, however, see the weapon with which he was hit.

Cochran said both men had been drinking all day Saturday, and that they were arguing, more or less as a way of killing time, he said. Suddenly, as Cochran tells it, the other man said he would beat Cochran's brains out, the victim did not recall, he said, what had aroused the other man's anger.

State, county and city police are working on the case.

### Bean Crisis at Lebanon Seen

Lebanon — The state employment office is using a sound car at Sweet Home and Lebanon in an effort to recruit more pickers for the bean crop. Recent heavy rains have forced pickers from the fields and late picking showed about 20 per cent culls in some patches.

An expected 400 to 500 more workers will be needed this week as more fields start picking for the first time. Now there are approximately 2,200 workers in the Lebanon area patches.

Charles Wilson, manager of the employment office here, said next week will be critical since some schools are starting, new fields will be opening and the state fair will be in progress.

### Oregon Studebaker Name Bonesteel

Russell F. Bonesteel, president Bonesteel Sales & Service, Inc., has been elected by the Studebaker dealers in Oregon as their representative to serve on the newly-activated National Studebaker advisory committee. The committee will serve as an advisory group to NADA's industry relations committee.

Bonesteel says that the national Studebaker advisory committee is a major step toward bringing Studebaker dealers and their manufacturers closer together in order that they may solve their mutual problems and increase their service to the motoring public.

Skagg, a used car salesman for Kirkpatrick Motor company, is accused of removing title to a car when he worked for the Chevrolet firm. The man allegedly borrowed money on the title. A search for the car revealed it still parked on the Hoek lot.
