Lambs in Color. — Frisky little lambs are in the two-color transfer process which requires no embroidery at all. The motifs, ranging in size from 1 1/2 inches to 2 inches, are in rose-pink and sky blue—all fourteen of the adorable baby lambs! north of Monmouth. Travis, driving a Chevrolet, going south turned east from 99W onto Gun Club road and Stone, driving a Cadillac, going south hit the Chevrolet and the impact threw Travis from his car.

The car continued south, left the road, went behind the Sidney Howard mailbox and came to a stop in the ditch. Stone received an injured ankle.

The Cadillac had to be towed from the scene of accident but Travis continued on to the post office at Independence.

It is estimated there is enough timber in U. S. forests to build a six-room house for every man, woman and child in the nation and have lumber left over.
