TELE-VIEWS Radio-Television

Several weeks ago TELE-VIEWS urged TV fans to atch their VHF band for freak reception from various VHF television stations

Following TELE-VIEWS advice, Ray Moore, local TV repairman, has been watching the lower band stations. Ray received KMO-TV of Tacoma, Wash., on VHF channel 13 on "opening night."

Opening night prizes were being given away to various Tele-Viewers and Ray received word Tuesday that he had won a deep fryer for being the farthest Tele-Viewer of the new station.

CBUT, the first Canadian TV station on the Pacific coast, is expected to start operation in November. The CBC outlet will serve the Vancouver area from a transmitter located on Mt. Seymour.
