SHOPSMITH—A COMPLETE WORKSHOP

With 1/2-HP Motor **234.00** Ask About Terms

(A) Shopsmith—for every home, farm and service shop. The amazing new power tool that performs all basic woodworking operations—does over a hundred jobs. It's a complete workshop skillfully combining five major power tools in one compact 18x57" unit—takes up only a fraction of the space required by five individual tool set-ups. And Shopsmith costs half as much as five single purpose tools. It meets the cabinet maker's exacting requirements capacity, precision, versatility, and ease of operation. Yet its simple, functional design permits the beginner to meet professional standards with a minimum of practice. You'll marvel how Shopsmith can be changed from one tool to any other in less than 60 seconds. But you'll have to see it in operation to appreciate it. See how simple it is to change (see illustrations above) from (1) 8-inch Tilting Table Bench Saw, to (2) Vertical Drill Press, to (3) Horizontal Drill Press, to (4) 12-inch Disc Sander to (5) 33-inch Woodworking Lathe. See it demonstrated at Wards.

WARDS WILL BE OPEN MONDAY AND FRIDAY NIGHTS TILL 9
