

Men of 65 or More to Meet

The First Presbyterian church of Salem is sponsoring a pre-Thanksgiving meeting of all interested persons who have reached the age of 65 or more, from 2 to 4 p.m. Friday, Nov. 13.

This fellowship will be quite informal in nature—conversations, group singing of familiar songs, and special features from the Golden Age club of the YMCA, arranged by Mr. and Mrs. M. B. Stenger.

Checkers, chess and other games will be available and refreshments will be served. B. F. Newton will give a Thanksgiving meditation.

The Christian Education committee of the church has designated Mr. and Mrs. James M. Glass as the convener.

The meeting will be held in the downstairs club room with entrance off Chemeketa street. It has its inspiration from the poet Browning:

"Grow old along with me,
The best is yet to be,
The last of life for which
The first was made."

Applications for Exams Going In

The State Civil Service Commission is accepting applications for several examinations which will be administered in the next few weeks.

Applications will be accepted until November 23 for a field examiner examination. The starting pay for this classification is \$296 a month and qualifications include high school graduation and four years of accounting or office experience, or an equivalent combination of experience and training. Two immediate vacancies exist in the southern Oregon area.

Other classes to be examined include PBX operator I, administrative secretary, and penitentiary hospital manager.

The Public Utilities Commission at Salem is urgently in need of a hearings reporter. The starting pay is \$322 a month, but may be higher depending upon an applicant's experience and training.
