PLENTY

"Be Thankful for Plenty" was the title of a sermon we heard many years ago. And we'll never forget how the preacher defined "plenty."

"If you have everything that money can buy, all the necessities and all the luxuries of life—and you don't have a Bible you can read and understand—then you've nothing to be thankful for! You're in want!

"But if God has given you just enough of this world's goods for you to live from day to day—and you've a Bible you turn to every day—then be thankful! You have plenty!"

We can cherish that homely bit of inspiration. It sums up the kind of Thanksgiving our forefathers believed in . . . the kind of Thanksgiving that millions of us will celebrate this week in Church!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
