Warm Crocheted Cape. Good-looking as it is made of wool yarn and velvety chenille in alternating stripes, warm because of the throat-hugging collar and the fullness which permits the cape to be snugged in and held at waist. The cape illustrated is done in medium grey wool and darker grey chenille but it may be made in two browns, navy and royal, black and grey, two shades of wine or any two shades which will complement your winter top coat. Charming, too done in all white (wool and chenille) as a party frock cape.
