What's behind the PRICE TAG on a USED CAR?

- 1. BUICK REPUTATION
- 2. BUICK ROAD-TESTS
- 3. BUICK DEALER GUARANTEE
- 4. CUSTOMER SATISFACTION

When you shop for a used car, the big question in your mind is - what will you get for your money?

You can't answer that by merely looking at the car over, or even listening to the engine. The smart thing to do is to buy your car from a dealer who has a reputation to maintain.

We're Buick dealers. We know it pays to sell dependable cars. We intend to stay in business - to keep making new friends. And we know that the good will of a used-car customer is just as important as that of a man who buys a brand-new Buick.

That's why we recondition and guarantee our best cars - and sell them under a rigid All Square policy. When we're willing to stand behind them, with all our resources and our reputation - you know they're bargains in quality as well as in price!

Most of these are fine one-owner cars - priced low enough so your present car will more than cover the down payment. Come see our All Square cars - this week!
