### NOEL TEAM SCORING SYSTEM

Had to make a quick trip to Wenatchee, Washington, because of illness this week but when I found out things weren't too serious took a look around at some of the other bowling centers in the area. Found the Wenatchee Major League (6 teams) using a novel scoring system. They do not operate on a games won and lost basis. Instead, they use a 5, 4, 3, 2, 1, 0 point system, the top team each game getting 5 points, the second best team getting 4 points, and so on with the bottom team each game getting 0. Each week, the top two teams bowl each other, the next two and so forth.

Under this system, a team which bowls against a team which is "hot" can still come out with some points. Under the system which we use in Salem, it's possible to bowl very good indeed and still lose four points. They call it the "Merkle" system, or that's what the man said he thought it was. Sounds like it might prove interesting as a trial sometime.

### NO HALVES OF SEASON AT YAKIMA

In Yakima they are still using the straight 3 game system without the extra point for series and they bowl straight through the season without splitting it into two halves. Under this system, the team which comes through the grind on top is truly the champion. Of course, there is the chance, which is happening in Yakima, of one team making a shambles of the race and the rest of the teams losing interest.

The ever strong Pak-Out team there is leading the race by 13 points at this stage and are increasing it every week. Something like the Timber Structures team in the Portland Intercity Classic League last year who had the championship all wrapped up by the two-thirds mark of the schedule.

### OLNEY STILL PILING UP PINS

Our topper is off this week to Jack Olney, affable anchor man of the Stevens Jewelry team in the Capitol Industrial No. 1 and Shryock's Clothiers in the Capitol Mercantile No. 1 who is continuing his heavy pin spilling after wrapping up the city Singles trophy in the recent city tournament.

Last Friday nite Jack came in with a big 654 series and a nice 252 high game. Gave him high series for the league and second high game. Alas, though, it only lasted one week as Larry Stanley came through with a 619 scratch last nite to take over the handicap series in the league 700 to 678. Jack maintains his high average in the league, a 183 to go with his high 184 in the Industrial. Looks like after all these years of being kidded about his nothing ball, Jack has finally got mad at every one.

### SMOKE, SMOKE, SMOKE

Another league has finally broken the monopoly held on the Chesterfield fag bonus by the Classic as Dyer & Son Insurance of the University Mercantile League came through with a 2982 series last Tuesday nite to win the smokes for this week. They checked in with a series sweep along with it to stretch their league lead to eight full points. Looks like we might as well start the second half before they get out of sight.

Because Thursday nite was Thanksgiving, the University Commercial No. 2 League decided to take a night off from bowling for this week and the decision was announced at the last league session before the holiday. Sure enough, one of the members who was practically standing on my corns when I made the announcement forgot and showed up to bowl. I won't mention his name, Bob.

### CAPITOL JOURNAL FINALS SUNDAY

Tomorrow is the big day for the 8 men and 8 women who will go in the finals of the Capital Journal Singles Classic. Women will take off at 1:00 o'clock and the men at 4. Don't forget to come down if you're not doing anything and root for your favorite.

Wednesday nite Larry Oslund and Pinky Hartwell put on a thrilling prelude to the finals when they bowled off for the eighth position, both having tied for the last spot in the third qualifying round. Bowling in regular match game style, they came right down to the final frame tied almost to the pin. They opened the last frame and Hartwell won by the margin of four pins, 411 to 807. Pinky will have a tough row to hoe in the finals as he will be spotting some of the finalists as much as 35 pins a game and that's a lot of wood, brother.

### NOT READY FOR MINOR LEAGUES YET

Yuk of the week is on the number four man of the Meadows entry in the majors who is known as the Silent Scandinavian, Deadpan, Henhouse, Etc., and who is the only man on the team without an 800 series to his credit this year. Well, he started out like a house afire Wednesday nite with a big 263 game then unkind things started happening to him such as the necessity for picking spares, getting tapped on good hits, etc., and poor Swede wound up the evening with 798. Never mind, Swede, they still think you're a prospect and the rumors that you will be farmed out to the minors is untrue.

PINKY HARTWELL ... won by four pins

## NW Conference Tightens Aid Limits for Athletes

Portland (AP)—The Northwest Conference tightened its restrictions on the award of athletic scholarship by member schools Friday night and named Avarad Whitman of Linfield college to head the circuit for the coming year.

A spokesman for the representatives of the league meeting here said enrollment factors will determine the amount of cash each school can use to entice athletes its way but that each

school will be able to pass out approximately the same number of athletic scholarships.

In other actions, the conference representatives (1) ruled that athletes may receive free board only during football practice sessions before the opening of school each fall (2) set a limit of 25 basketball games each school may play during a season, exclusive of tournaments, effective next year (3) and banned basketball

practice or games during the Christmas vacation.

The representatives also upped to 15 the number of baseball games each school could play and set these places and dates for 1954 conference tournaments and meets: track, Lewis and Clark, May 15; tennis and golf, Lewis and Clark, May 14; Willamette relays, Salem, April 3.

Charles Howard, Lewis and Clark, was elected secretary-treasurer.

## Pin Finals Set Sunday At Capitol

Eight men and six women will toe the line Sunday in the finals of the first annual Capital Journal-Capitol Lanes singles elimination bowling tournament. At stake are large trophies in each division, plus cash prizes.

The finalists are the survivors of three rounds of elimination which started with about 150 entries.

Women will start bowling at 1 p.m. and the men at 4 p.m., the men to roll eight games and the women six.

The men are Bill Osko, Pinky Hartwell, Tony Bigler, Ralph Sommer, Morris Cady and Bob Lawless, all of Salem, and John Ringquist, McMinnville, whose 944 was the highest score to date. Hartwell won a playoff from Larry Oslund by a score of 811 to 807.

Women finalists are Dottie Coudare of Lebanon, Marie Lindblad of Albany, Mildred Guthrie of Woodburn, Marie Bradley of Salem, Shirley Laird of Salem and Mary Polinsky of Salem.

Mary Polinsky was not available for a picture and hers does not appear with the other finalists on this page.

## Trabert, Seixas Win Net Rounds

Melbourne, Australia (AP)—Things looked up for the U. S. Davis Cuppers in the Victorian tennis championships Saturday.

Tony Trabert, the U. S. champion from Cincinnati, gained the quarterfinals by trouncing Ian Ayre, 6-8, 6-4, 6-0, and Vic Seixas, the Wimbledon champion from Philadelphia, demonstrated his injured knee was on the mend by whipping Bill Gilmour, the Australian junior titlist, 613, 4-6, 6-4, 6-4.

Arthur Prudholm, who won the middleweight boxing title at the 1920 Olympics, now is a cook in mining camps in northern Saskatchewan and Manitoba, Canada.

Faist's 184.6 won the West-

ern Oregon district yield contest. It was a new high yield for the western district in the irrigated crop class.

The show wound up Saturday with 4-H and FFA judging and a discussion on corn growing led by Dr. R. E. Fore, an Oregon State College agronomist who heads the State Corn Show committee.
