

DOG BITE VICTIM MAKES NEWS

Harry Snarr (left), 43, restaurant worker, object of an intensive search by newspapers, radio and television for a week to warn him that he had been bitten by a rabid dog, has his dog bites examined by Dr. Herman Bundeson, president of the Board of Health of Chicago, Ill. Rabies treatments have been started on Snarr who told authorities he's the man who was bitten by the dog a week ago. The dog later died of rabies. (AP Wirephoto)

80 Homes Offered to 17 Boys at MacLaren School

By NANCY ASHBAUGH

Further developments in the case of 17 boys who have earned parole from MacLaren School for Boys and need a home to go to has found Don Miller, supervisor of home placement at the school, with some 80 homes offered for the boys.

Practically every person interviewed had had events in his own background which gave an understanding of a child with a deprived and neglected life, Miller said. One person explained that he had served a period of seven days in jail for siphoning gasoline from cars as a young boy but who went on to make a fine record in the armed service and who is now a prominent businessman.

Others explained their interest in taking a boy because they were orphans and had an understanding of the situation. Two resources for a receiving home were received, one couple interested in the school especially since they live a relaxed, easy going sort of life where children would be easily absorbed, Miller pointed out.

More than 40 percent of the homes visited so far have been quite a bit over the heads of the boys in that they are so nice and so much more than the boys could get used to readily, that there would be an adjustment problem.

These homes of ranchers, doctors and the like, though considered too fine, were indicative of the fact that responses from people who just wanted the money were not received at all. Most of the letters were sincere and reflected a keen desire to help a boy.

Some of the letters described the lives of the family, their home, income, friends and mentioned that they owned a beautiful collie dog, farm animals, flower gardens and so on, and most of the letters enclosed references.

Since the Oregonian ran a re-write of the Capital Journal story many replies were received from eastern Oregon and from the Hood River area. This was very pleasing to the authorities at the school since last spring a boy killed a farmer there and is now in Rocky Butte jail awaiting trial. The boy left the school at 18, on parole, and the farmer met the boy on the streets of Hood River and took him home to work.

However, the school did not place the boy in this home although the school authorities were afraid the people in the Hood River area might have thought so. They were gratified at the response from this area since they hoped that this boy's tragedy would not ruin the chances for other boys from this school to find a home.

That boy came from a

Auxiliary Aids Veterans Xmas

Mt. Angel—The Mount Angel auxiliary unit of the American Legion discussed arrangements for several forthcoming events during Tuesday evening's business meeting in the Legion Memorial hall, presided over by Mrs. R. T. Bisenius, president.

Christmas gifts due at the Veterans hospital by Dec. 1 will include a cash donation to the hospital gift shop in addition to the individual gifts contributed by members and the pillow slips made and donated by the Past Presidents club.

The auxiliary members who voted cash donations to the Check a Month, Christmas Cheer, and Gifts for the Yanks, and also purchased TB seals.

Mrs. Clifford Norton was named chairman of the canteen during the bloodmobile visit in Mount Angel on Dec. 8. Members to assist Mrs. Norton will be Mrs. Edward Hoffer, Mrs. Fred Lucht, Mrs. Fred Prosser and Mrs. Joseph Faulhaber. Mrs. Peter Gores will help on the floor as one of the nurses, and four other nurses will be recruited from the local ranks.

Next on the agenda was the discussion of a Christmas party for the children. President Bisenius appointed Mrs. Clarence Ebner as chairman, and assisting her will be Mrs. Edward Hoffer and Mrs. Helen Perillo and a number of volunteers.

Miss Elizabeth Unger was named chairman of the Christmas party for the adults, and she will be assisted by the president.

As a new community project, the unit will sponsor a library shelf in the local library. Books would be donated by the auxiliary from time to time and would carry a marker on the fly-leaf stating they were donated by the unit.

Traffic Toll in State Totals 3

(By The Associated Press)

Three persons died in Oregon over the week end from injuries suffered in traffic accidents.

Bud Lemons, about 44, of Mt. Vernon, Ore., was killed outright Saturday night when he was struck by a car as he walked along a highway near his eastern Oregon home.

Sheriff Robert Domon identified the driver of the car as Marjorie Holland, a student at the University of Oregon. She was not held.

Mrs. Raymond L. Zwellman, 28, Vancouver, Wash., died at a Portland hospital Sunday from injuries suffered in a two-car collision in Portland last Thursday. Ten persons were hurt, four of them seriously, in the accident.

Franklin O. Parker, 19, Willamette university student from Newport, died Saturday from injuries suffered Wednesday in a collision near Grand Ronde. He was the third person to die from hurts suffered in the mishap.

Farmers Union to Close Cooperative

A meeting to discuss the future of the Oregon Farmers Union Cooperative has been called by Roy Rutchman, chairman of the reorganizing committee.

It will be held at the Farmers Union Hall, Salem, Tuesday evening, December 1 at 8 o'clock.

Ammon Grice, chairman of the board in charge of the liquidation of the existing cooperative, has announced that the inventory of the present store will be closed out as soon after January 1, 1954, as possible.

Member of the reorganization committee, in addition to Rutchman, include John Simmons, James Best, Arnold Braat, Lloyd Beutler.

Announce New Way To Shrink Painful Piles

Find Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to stop bleeding—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a

problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 20 to 30 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

Now this new healing substance is offered in ointment form for hemorrhoids under the name Preparation H. The price is only 98¢ a tube including an applicator. The name to ask for is Preparation H—at all drug stores.

And remember—if not entirely satisfied—your money will be refunded promptly.

REINFORCEMENTS FROM AIR

Man Dies in Scalding Bath

Cleveland (AP)—Frank Zonar, 78, died last night after a scalding bath at Warrenville workhouse.

Sgt. John Leitch said Zonar was placed in a bathtub by a

male nurse, who returned about 45 minutes later to find the hot water running. Zonar was dazed but still conscious. The submerged part of his body was reddened by the hot water. Leitch said he was dead on arrival at city hospital.

Zonar had completed a three-month term for vagrancy April 6 but was allowed to stay on because he had no other place to go.

Tugboat in Wild Dash Sans Crew

San Francisco (AP)—A 45-foot tugboat Pabco made a wild dash for the Golden Gate and the open sea yesterday, leaving its startled crew behind.

Tug operator Carl Holmes and his engineer had left the boat and were aboard a barge it had been towing. The barge was tied up to pier 37 and the Pabco was tied to the barge.

The adventuresome, 16-ton tugboat slipped its mooring line and, its rudder hard over, headed toward the Golden Gate. Holmes notified the Coast Guard and the cutter Calumet took off in hot pursuit.

Coast Guardsman Billy Thomas of Stockton, Calif., leaped from the cutter's deck to the tug and switched off its engine.

JORDAN STEPS UP DEFENSES

Jerusalem (AP)—Jordan announced plans Monday to step up her defenses against neighboring Israel. Dr. Fawzi El Mulki, the country's premier and defense minister, said Jordan would turn her national guard into a "baby Arab Legion" and give military training to the 50,000 Arab refugees from Palestine who are living in the kingdom.

LINCOLN WINS AGAIN!

Sweeps Mexican Pan-American Race—World's Toughest Road Contest Taking 1st, 2nd, 3rd and 4th Places For Second Consecutive Year!

LINCOLN PROVES ITS SUPERIORITY, OUTPERFORMS ALL COMPETITORS IN STOCK CAR FIELD—WINS 7 OUT OF FIRST 10 PLACES

Stock car champions of the Mexican Pan-American Race last year, Lincolns again captured 1st, 2nd, 3rd and 4th places this year. In fact, in a field of more than 50, seven of ten prize-winners were Lincolns.

Called the toughest automotive test in the world, the route of this 1,912-mile race covers every kind of highway. From Tuxtla Gutierrez near Mexico's southern boundary to Ciudad Juarez across the Texas border from El Paso, the route climbs steep mountain grades, turns, twists, curves its ways through foothills and winds up over long flat stretches of desert highway. Road elevations range from near sea-level to more than 10,000 feet. In every driving situation, Lincoln proved itself superior—a great tribute

to the precision engineering and rugged stamina of its 205-hp V-8, the easy handling and steering control of its proven ball-joint front suspension, and the stability and road-holding qualities of the great Lincoln chassis.

And now a new Lincoln is on the way—the new 1954 Lincoln. It is more luxurious than ever. Its handling qualities, roadability—yes, even its famous V-205 hp engine—have been improved. You'll want to see this great new Lincoln, Thursday, December 3rd. And even more, you'll want to drive it. See for yourself why Lincoln alone is the one fine car designed for modern living—powered for modern driving—and twice-proved in the world's toughest road race.

Table with 3 columns: Position, Car Make. Lists Lincoln in 1st, 2nd, 3rd, and 4th positions.

See the New 1954 Lincoln at your dealer's... Thursday, December 3rd!
