AS ADVERTISED IN LIFE

Here is the wonderful doll that cries like a real child. Big, wet tears roll down her fat, chubby cheeks as she cries lustily to be changed, fed, bathed and pampered. She also sleeps, drinks her bottle, wets her diapers, takes a bath, so many of the things real live babies do. "Tiny Tears" gives your little girl the thrill of being a "make-believe" grown-up mother. She'll never tire of this fascinating doll.
