

SAILING, SAILING

Mt. Angel—Among the casualties of the recent heavy rain was the campus of Mt. Angel Academy and Women's College. Two not so ancient, but none-the-less hardy mariners, launched a "yacht" on the resulting lake. Those aren't albatross they're hunting, however, merely decoys borrowed for the occasion. The adventurous lassies are Margie Annen, left, and Mary Jane McIntee of Salem. They didn't catch a thing—not even a coad.

Salem Heights Water Election

South Salem—The regular election of the Salem Heights water district is scheduled for Monday Dec. 7, from 8 a.m. to 8 p.m. at the Salem Heights Community hall.

The vacancy on the board of directors to be filled at the election is the office of treasurer. Candidates placed on the ballot to fill the vacancy are Harvey Fusching, seeking reelection, Archie McKillop and Elbert Dickson who were petitioned.

Two areas are to be voted on for annexation. They were voted on before and accepted by the district as well as the

county. However, they did not comply with the state requirements and the district has been asked to submit them again for re-election. The East Browning Ave. area has been accepted and placed on the Marion County tax roll for the past four years. The West Browning Ave. project was accepted at the regular election last year as well as the area which is the eastern part of South Village and the new Morningside school. This area also squares off the district boundary.

The judges serving at the election are Mrs. Hale Mickey, Mrs. R. R. Ritchie and Mrs. O. W. Gorton.

The planet Mercury, the smallest major planet of the sun, is 3,010 miles in diameter.

ON DISPLAY TOMORROW—THE NEW 1954 LINCOLN newly designed for modern living—completely powered for modern driving

IT'S HERE. The newest, most beautiful model of the car that is taking America's motorists into a new era. It is the incomparable new Lincoln for 1954—the one fine car which marks the growing trend to modern living on wheels. In fact, Lincoln fine-car sales have doubled in two short years! There is distinctive new beauty wherever you look—a new bumper-grille combination, new rear end styling highlighted by new taillights, a longer, lower look all over. Now—you can choose from a wonderful array of colors inside and out, from yellow to black or royal red. You can have rich nylons, broadcloths, gabardines; you can even have genuine leather in four-door sedans! As for performance, you've never experienced anything like Lincoln's 1954 high-compression engine. One of the world's most efficient power plants, it has been improved with a new 4-barrel carburetor. You'll never believe that an automobile can do so much with so little effort until you try Lincoln's V-8 engine, its new oversize brakes and optional power features. Power steering, power brakes, and 4-way power seat can be yours for the last word in motoring convenience. Your eyes can tell you that this new 1954 Lincoln has been wonderfully designed for modern living. But you cannot appreciate the effortless action until you try a Lincoln or a Lincoln Capri yourself. Ask us for a demonstration at your convenience.
