### Israel Prime Minister Quits

Jerusalem (AP)—David Ben-Gurion resigned Monday as Prime Minister of Israel to follow the trail of the Jewish nation's ancient prophets into the wilderness to meditate and rest.

The 68-year-old statesman, Premier of Israel since its founding in 1948, submitted his formal resignation Monday morning and said his goodbye to President Izhak Ben-Zvi over a cup of Turkish coffee.

The outgoing Prime Minister, who had insisted he was too tired to carry on, has a bare four-room prefabricated house ready for him in the desert wilderness where he is retiring temporarily to the role of elder statesman.

Foreign Minister Moshe Shertt is taking up the government reins as acting premier.

### B-47 Jet Clips 14 Minutes off Record

Tampa, Fla. (AP)—A B-47 Stratofortress bomber flew non-stop from England to MacDill Air Force Base here, yesterday, in 8 hours 53 minutes, clipping 14 minutes off the old record for the 4,480 miles.

"Aside from strong head winds we encountered no difficulties," Col. William E. Creer of Spanish Fork, Utah, commander of the bomber, said.

### Hikers Go on Railroad Trip

Chemeketas numbering 39, gave their legs a rest Saturday when they made the round trip from Independence to Valseiz over the Valley and Valseiz railroad.

The passenger rolling stock of the railroad, consisting of the "Yellowjacket" and "Scooter," was filled to virtual capacity. Both "trains are motor driven vehicles.

The Chemeketas, who included guests from Australia and Switzerland, were taken on a tour of the Valseiz Lumber company plant by W. B. Brownjohn. A stop was made at Hoskins on the return trip for an inspection of the railroad company shops.

Another year, if sufficient interest is shown, the Chemeketas may charter a special train, including locomotive and flat cars.

During Saturday's trip the Chemeketas learned that the Valley and Valseiz railroad was once the most profitable line in the country on a percentage basis. Grades as steep as three percent penetrate the upper reaches of the Luckiamute and Siletz river where vast reaches of timber have been cut.

The Sudan is about the size of the United States east of the Mississippi river.

Last year MEN ONLY NIGHT was a big success, but many men told us they would like us to hold it earlier. For that reason we've set the night one week earlier this year.

### SO, WE'VE GOT A "DEAL"— SHE CAN GO to the GRAND THEATER AS OUR GUEST, WHILE YOU HAVE YOUR "SHOPPING SPREE"

That's right. It's all "on us." Just bring her to the store with you, where she can pick up her ticket for the show. If she can't find anyone to stay with the youngsters, she may bring them, too. But come to the store to get the tickets for THE GRAND Wednesday night only!
