

Record Made By 1953 Fair

Oregon's 1953 State Fair was the most successful financially as well as in attendance since the fair was started in 1861, according to a report submitted last week to the State Fair commission by Leo G. Spitzbart, manager.

Total income for the fiscal year November 1, 1952, to November 1, 1953, was \$463,028.70. Total expenses, including substantial improvements to fairgrounds, buildings and equipments, were \$397,738.54, leaving a net gain of \$65,290.16 according to the report.

Total attendance at this

year's fair in Salem, September 5 through 12, was 312,881, an increase of 15,455 over 1952.

Expansion and improvement of fair facilities are being planned and can be paid for out of the profits, said Dr. E. B. Stewart, of Roseburg, commission chairman.

The fair has established an outstanding record among fairs in America for paying operating, maintenance and capital investment costs almost entirely out of operating income for more than 20 years, according to Dr. Stewart.

The U.S. hydrogen bomb project at Savannah River, S.C. has an estimated cost of a billion and a quarter dollars, more than twice the cost of the Panama Canal.

Stoeffler to Head Royal Neighbors

Sweet Home—Mrs. Eunice Stoeffler was elected oracle of the Sweet Home Royal Neighbors of America for 1954.

Chosen to serve with her were Mrs. Agnes Vigue, vice-oracle; Mrs. Selma Hermans, recorder; Mrs. Lucille Pope, receiver; Louise Young, chancellor; Ada Van Lieu, marshal; Mary Sedoma, inner sentinel; and Dee Brown, manager.

Mrs. Catherine Berger will serve as past oracle and Dr. Hartman as camp physician.

The Sweet Home camp will hold its installation of officers on Jan. 5, with Mrs. Mae E. Logan, of Portland, state su-

pervisor, will serve as installing officer.

Elected to serve as delegates to the state RNA convention which will be held in Eugene in April, were Mrs. Ethel Willis, Mrs. Peggy Wells, was chosen as alternate delegate.

Visitors at the election meeting were District Deputy Mabel Miles, Past Oracle Blanche Gaine, and Mrs. Fosnot, a vice-oracle, all of Salem.

Egypt and England have ruled jointly in the Sudan since 1899.

O.C. Farm Laborer Faces Deportation

Portland (AP)—Charles Ulmer, who immigration authorities said entered the United States when he was one month old, was arrested here Friday and held for deportation to Canada.

Ulmer, 37, was ordered de-

ported by the U. S. attorney general on grounds he is an undesirable alien.

Authorities said the Oregon City farm laborer entered the country in March, 1918, at an unknown border point.
