## The Christmas Candle

In the earliest times the lighted candle had a place in man's expression of his religious belief. Light has always symbolized the outreach of the Almighty.

But in the celebration of Christmas, the lighted candle has assumed a special significance. Gleaming in the darkness, it is like the Star that stood over Bethlehem. Flickering in the wintry draught, it is like the tiny Infant rocked in his mother's arms. Shining boldly through its wreath, it is like the Master of Mankind beckoning the world into the warmth of His Love.

And yet, no candle can express the real joy of Christmas. Worship is our divine gift for revealing our love to God. The prayers and hymns we lift from happy Christian hearts as we gather in Church; these are the real Christmas Candle—the glow of a people honored and blessed by the birth of the Christ.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
