Frat Men Pay Fines in Blood

Philadelphia (AP)—Fraternity men at the University of Pennsylvania start paying their fines in blood today.

The Inter-Fraternity Council decided that when fines are assessed against member fraternities for violating council rules, the fines can be paid off at the rate of one pint of blood for each \$5 fine.

Half the blood will go to the Red Cross blood bank. The other half will go for 17-year-old Eddie Fox of Orrtanna, Pa., in Adams County. Eddie was badly burned in a futile attempt to save a younger brother from burning to death in a fire 3 1/2 years ago. He still needs at least two blood transfusions a week at University Hospital here.

Donna Jean Scott is a champion of sorts—she's believed to be the smallest new-born baby ever to survive at the Batavia, N.Y., hospital. RR's Cited for Segregation

Washington (AP)—The National Assn. for the Advancement of Colored People has opened fire on racial segregation in railroad stations and restaurants.

The NAACP filed a complaint with the Interstate Commerce Commission naming 11 railroads, the Richmond Va. Terminal Co. and the Union News Co., which runs a restaurant in the Richmond station.

The organization termed its complaint the first major challenge to segregation in railroad stations and station eating places.

The complaint charges the railroads are still trying to enforce segregation of interstate passengers, despite supreme court rulings to the contrary.

Foreign Countries Buying More Gold

Washington (AP)—Foreign countries are buying more U. S. gold—a sign their economic health is getting better.

The U. S. Treasury said yesterday it sold \$1,140,400,000 worth of gold abroad in the first 11 months of this year. By contract, foreign nations sold 293 1/2 million dollars to this country in the full year of 1952.

Mowdy AWOL Gets Year Term

Bowling Green, Ky. (AP)—Pvt. Olen M. Mowdy of Co. Lurg, Ore., whose frequent AWOLs from the army have brought him nationwide attention, has been dishonorably discharged and sentenced to one year in prison.

The army spent at least \$30,000 trying to find the handsome 18-year-old former prep football player in his earlier disappearances.

Mowdy and Pvt. Joe A. Laws, 21, of Harrogate, Tenn., escaped November 30 from the Fort Campbell stockade after overpowering two guards on a work detail and taking the guards' shotguns. They were captured December 3 at Mt. Vernon, Ky.

Laws and Mowdy now face charges of stealing government property and assault with felonious intent in addition to their army sentences.
