ACORNS FROM THE **Oak Room**  
WITH DEL MILNE

PURSE STRINGS TIGHT?  
That's what this friend told me the other day.  
"Del" he says, "either the cost of living is up or Xmas has got me. Seems like everything is higher this year than last!"  
"Aha," says I. "Friend," I says, "When you say everything—please exclude the cost of dining in comfort in the Marion Hotel dining room."  
"Aw," says he, "I bet you charge more for your meals, too!"  
"Oh you do, huh?" says I. "Well take a look at this!" I drag out last year's menu and compare it to this year's.  
"Not only do we not charge more," I proudly state, "we even have more special dinners now. Family meals . . . complete dinners for \$1.25 . . . children's portions . . . bla, bla, bla."  
"Well," the friend says, "then maybe you don't give people as much!"  
"Ok, Ok," I answer. "You talked me into it. Come on in and have dinner on me."
