## A Tribute To Our Salvation Army!

If you think that the spirit of God pervades only handsome churches, consider the simple religious services of those men and women who worship on street corners. There is no faith of class, creed or color. All the world is their congregation... and what wonderful work they are doing! The derelicts, the homeless, the heartsick and hungry. These are parishioners of The Salvation Army. No one is turned away. No one is beyond redemption. If you believe in man's humanity to man and want to exemplify it, be generous with your change when a Lass or Laddie in blue passes the tambourine!

## Should This Happen In Salem?

1. Does the public realize that other industries are not allowed to put up orders for Bergs! The unions are violating our laws... they are forcing a secondary boycott (illegal) upon some Salem firms.
2. They are stopping public common carriers from coming to Bergs which is contrary to official rulings.
3. Ask our clerks about this one... 77 out of 78 employees refuse to recognize the pickets because they do not represent our employees. They are satisfied so... what's the dispute about!
4. The original issue was based on having a journeyman butcher on duty at all times... which our journeyman butchers do not want. Also, we dislike the unions belief in featherbedding.
5. Will you help us in our fight for free enterprise! Support our two stores... We need your help.
