

SAFEWAY WILL BE CLOSED CHRISTMAS DAY, DEC. 25 AND WILL CLOSE AT 6 P. M. DEC. 24

Why a Safeway, Quick-Frozen Turkey Is Your Best Buy!

Quick freezing is the modern miracle that makes it possible for Safeway to bring you turkey at its very best. Here's why: The birds go into the freezer WITHIN AN HOUR after being completely cleaned inside and out. There's no chance for the meat to lose its "just-dressed" flavor. All the preparation—killing, cleaning and freezing—is done as one continuous operation in the most sanitary plants, by skilled workers—and under U. S. Department of Agriculture supervision. Every step of the way—from selection of the birds from the country's finest flocks—to their display in our stores—gentle care is taken to assure that you get a turkey that will eat tender, sweet and juicy.

This operation applies to every turkey Safeway sells. So whether you buy a small Beltville Turkey or our largest Tom, you can be sure that you are buying the very finest turkey your money can buy. Even folks who live on turkey farms and can pluck, dress and get their birds in the oven within a few hours can't enjoy any fresher tasting turkey than you can with a QUICK-FROZEN TURKEY FROM SAFEWAY.

TURKEYS

This Christmas treat your family to an oven-ready Turkey from Safeway. These are selected birds that have been thoroughly and completely cleaned—then quick-frozen to seal in fresh, sweet flavor. There are no waste parts to go on the scale when you buy. No waiting around for the meat man to prepare your bird. No lengthy cleaning chore for you. Every turkey guaranteed.

UNDER 10-LBS.	10 TO 18 LBS.	OVER 18-LBS.
For the smaller family we suggest a Beltville White Fryer Turkey. These are plump, meaty, broad-breasted hens. Ready for the oven.	Here is the average size bird for the medium size family. Guaranteed to be tender and juicy as the hens. You can't buy a better turkey at any price.	Fancy, young Tom Turkeys for the larger family. Guaranteed to be tender and juicy as the hens. You can't buy a better turkey at any price.
