its duty to explore all possibilities towards beginning con-struction of this institution

Smith to Head **Publication**

New York (P) - Paul C. Smith, former editor and genbmin, former entoy and gen-eral manager of The San Fran-cisco Chronicle, was named Tuesday president of the Cro-well-Collier Publishing Co.

The amouncement, made following the monthly directors' meeting, also said that Clarence E. Stouch, president of the firm for the past two years, has been named chairman of the board.

The amountments were made.

The appointments were made in connection with the retire-ment of Albert E. Winger as board chairman after 40 years with the company. He will remain a director. Smith joined Crowell-Collier

in May as a vice president. He resigned last December from the Chronicle, with which he had been affiliated since 1933. Eight Dead in

Crowell-Collier publishes three periodicals, Collier's, The American Magazine and Woman's Home Companion, and a number of books including an encyclopedia and the Harvard Classics.

Deetz Seeking Milk License

Oregon's milk marketing regu-lations, said Tuesday he had time of the blast, about 9:30

The peace he made by his yard. application Monday at Salem saw with the state department SONJA SEEKS DIVORCE of agriculture, whose concern with sanitary regulations, not with prices or other as-pects of milk distribution.

Deetz got into trouble when throp Gardiner. he sold milk in gallon lots at his own price, with no state inspection of any kind.

He said Tuesday the only reason he hadn't gone to the state department of agriculture before, was that in putting himself under sanitary inspection, he also would have put himself under the pricing and other marketing results. and other marketing regula-tions. This he refused to do.

No Sign of Life At Plane Exists

Reykjavik, Iceland (P) — A rescue party crawled within sight of a wrecked American navy bomber high atop an Ice-land glacier Tuesday and re-ported finding no signs of life.

Hope faded that any of the nine crew members were still alive. The two-engine patrol bomber crashed last Thursday in a blizzard on Myrdajsjokuli glacier near the southeast coast

The Iceland rescue party radioed that survival equip-ment dropped near the wreck apparently had not been touched.

The party crawled up a steep ice wall with the aid of para ice wall with the aid of para-chuted supplies only to find that a mighty crevasse still separated it from the plane's wreckage. They could see the wreckage from a distance but had to map a wide detour around the chasm to reach it. This they expected to do se time Tuesday.
