Godfrey Troupe At Remote Base

New York (AP)—Arthur Godfrey and his troupe, and a party including Air Secretary Harold Talbott and Gen. Curtis LeMay, returned yesterday by plane after a New Year's Eve spent at Thule Air Force Base in Greenland.

The group, which also included Mrs. Talbott, Mrs. Godfrey, and publisher William Randolph Hearst, Jr., flew to the "loneliest air force base in the world" on Wednesday.

"It was a wonderful trip," Talbott said. "It was a wise thing from a morale standpoint and the men were pleased and diverted."

Blind Woman, Sister Rescued

Oklahoma City (AP)—An elderly blind widow and her sister, almost blind, were rescued from their flaming frame home yesterday by neighbors attracted by their pitiful cries for help.

Mrs. Maggie Dellar, Holt, 70, and her blind sister, Mrs. Rodie Emma Simpson, 76, were led from the blazing structure.

Mrs. Holt couldn't see well enough to find the door. The women, both old age pensioners, received only minor burns. All their possessions were destroyed.

Firemen said the blaze sprang up from an overheated coal stove.

All-Out Drive On Polio Begins

New Orleans (AP)—The National Foundation for Infantile Paralysis is to begin an all-out drive on the disease next month.

Foundation President Basil O'Connor in a nationwide broadcast inaugurating the 1954 March of Dimes campaign last night, said thousands of children in Pittsburgh, Pa., would be inoculated with a new polio vaccine in the kick-off of extensive field tests.

Inoculations in February are to cover "every state in the nation" as part of the program.

O'Connor said the program would cost 75 million dollars but that the development of the serum brought the fight against polio to "the verge of victory."

The serum is to be tested on between 500,000 and one million second grade school children.

Silverton Shows Steady Growth During '53 Year

By ANNA POWELL

Silverton—Though Silverton has had no "boom" during the last year, the results are encouraging and keeping pace with other areas of the valley. "Business good" is the verdict from merchants.

The Interurban Telephone went on the dial system April 18, 1953.

Fully as far reaching to the general public was the new government post office building, occupied Oct. 1.

In a business way, the Hogg Brothers, 109 South First St., that opened business in the Dickerson building, shortly before Thanksgiving, is the outstanding improvement of the down-town section.

In the professions, local physicians and surgeons lead in enlarging and building clinic accommodations. The Masonic Building location for many years of Kleinsorge and Pettit, MD., was enlarged to include a number of remodeled and decorated rooms, furnished with the most modern clinical equipment. Physicians moving into new clinic buildings and rooms have been Dr. R. J. VanCleave and Dr. Gordon C. McNelly. Their large building is located near the Silverton Hospital.

Dr. Norman L. Dodds, M.D., and Dr. E. K. Anderson, dentist, opened a new clinic building on N. First St. Dr. Gerry Arrington opened his dental clinic in the Masonic Building. Dr. R. A. Epeneter, dentist, moved from his temporary location in East Oak St. to his present location, newly equipped, at
