### Duchess Loses As Best Dressed

New York (AP)—The Duchess of Windsor has lost her title of best-dressed woman in the world to an old rival for the honor, Mrs. William Paley of New York. Mrs. Paley, wife of the head of the Columbia Broadcasting System, nosed out the duchess for the first place in 1948 and 1949. The duchess' fall this year was all the harder, as she almost slipped right out of the first 10. She landed in a 10th place tie with actress Mary Martin.

### Recruiting High During Month Despite Holidays

By MARGARET MAGEE  
Despite the past holiday season the recruiting offices of all branches of the Armed Forces continued to have a large number of enlistments. The Marine recruiting office had its biggest month since World War II, and it is thought the Marines ever had in Salem. A total of 18 men were enlisted for the 360 per cent of the quota for the month. Part of these men were for the "Second Oregon Beaver Platoon," which is to report for duty January 21. Men enlisted in the Marines and reporting for duty immediately were Ronald Eugene West, 180 West Judson, Robert Leon Hill, 180 West Judson, James Roy Fulkerson and John Lalande Fox, all of Salem; Raymond Merton, St. Paul, and James Herbert Harding, Newberg. West, Harding and Fox all were re-enlistments. Hill and West are half brothers. Twelve of the men were enlisted for the "Second Oregon Beaver Platoon." The Salem men all were assigned to the "Fourth Salem Capital Squad." They were Jackie Junior Chappell, route 4; William Jerry Million, 215 South Winter; Everett Lee Stepp, 680 North Commercial; James Edgar Friese, 1725 North 19th; Ralph Louis Peteresen, 1790 Barnes avenue; Fred James Coker, 2073 North Commercial street; William James Ponsford, Jr., 950 Morningside, and William Lester Robins, Jr., 2009 Center street. The other four of the platoon have been assigned to the "Salem Area Leatherneck Squad." In this group are Virgil LeRoy Earls, route 1, Brooks; Charles Hans Jepsen and Bruce Landers Sjolund, both Dallas, and William G. Sigloh, route 1, Woodburn. Salem's Navy recruiting office in December enlisted a total of

### Tobacco Men Probe Cancer

New York (AP)—A tobacco industry research committee has been formed by cigarette manufacturers and tobacco groups to conduct research on "the theory that cigarette smoking is in some way linked with lung cancer." An advertisement appearing today in many major newspapers of the nation says the manufacturers believe "the products we make are not injurious to health." The display advertisement adds, however, that medical research should not be dismissed lightly "even though its results are inconclusive." Formation of the committee, which includes all but one major American cigarette manufacturer and several associations of tobacco growers, was announced yesterday. Others may join the committee later, a spokesman said.

### Terrorism in East Germany

Washington, (AP)—A state department publication says the Soviet-backed rulers of East Germany are practicing terrorism but reportedly are still encountering slowdown strikes and work stoppages. Geoffrey W. Lewis wrote in the state department bulletin published yesterday that several thousand participants in the June revolt of Germans, including women and children, are reported to "have been seen loaded aboard trains headed for the Soviet Union." Lewis, head of the Office of German Affairs, said some Communist leaders "heads have rolled" and that there are indications of a purge of those who favored leniency toward the rebels and major changes in the party program.
