I DON'T NEED TO GO TO CHURCH.

Yes, I'm one of those seventy-five million Americans who are not members of a church. Saturday and Sunday are the two days of the week I like to devote entirely to relaxation and recreation. Why should I spend an hour or so in church?
I try to live straight—to put in a full day's work for my boss, to get along with my neighbor, to bring up my children in the proper way. As long as I'm trying to live respectably, why do I need to go to church?
There is an answer, my friend. Since the beginning of history, you and millions like you have been trying to run your lives and this world of ours by your own knowledge and strength. You've said you didn't need help. But human experience declares that you have failed. The past has left us an ugly picture of cruelty and bloodshed, of hate and crime. The present finds us on the edge of fresh disaster—of devastating war on the outside and moral decay from within. This is the tragedy of man's proud attempt to live without God.
You need help—help beyond the pale of human resources. You need the love of God that empowers a man to live a good life. You can find this love only in the Church—in fellowship and communion with Christ. He is in His Church—forgiving, loving, strengthening, giving men the courage and power for right living.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
