

Four From Same Clan on Quintet

By CHARLES MONZELLA

HUNTINGTON, W. Va. — A student cheer, "Go, Goheen," would almost apply to the full basketball team at St. Joseph's High.

Four members of the Irish clan Goheen, including three brothers and a cousin, are on the varsity squad.

There always has been and will be, it seems, a Goheen at St. Joe's.

It all started 24 years ago when Harry B. Goheen from County Greenbrier (W. Va.) and his wife, the former Esther M. Ripley of Huntington, sent their first child to St. Joseph's.

They had 12 children, 10 of them boys, and St. Joe has not been without a Goheen since Patricia, now 29, entered the elementary school here in 1929.

Patricia is now Mrs. Walter P. Gippich of Reading, Pa.

The others in the Goheen family include:

Harry Jr., 27, Jimmy 25, Johnny 24, Robert 21, David 18, Richard 16, Tommy 15, Larry 13, Daniel 10, Martha 9 and Gale 6.

All those from 6 through 18 are at St. Joseph's, either elementary or high school, and David, Richard and Tommy are the brothers on the basketball squad. A cousin, Denny Joe, 17, also is on the team.

Harry, Jimmy and Johnny, all athletes, served in the armed forces overseas. Harry is a high school coach at St. Joseph's, Ironton, Ohio; Jimmy attends Valparaiso University, and Johnny, just back from service in Japan, attends St. Joseph's College in Philadelphia.

Little Gale, if he progresses as expected, will graduate in 1965 to maintain an unbroken brother and sister attendance at the school over 36 years. The third generation is still to be heard from.

Ben Hogan Wins Hickock Award

ROCHESTER, N. Y. — The honors keep piling up for Ben Hogan for his unprecedented sweep of the U. S. and British Open championships and the Augusta Masters Tournament in 1953.

Hogan, named as the Male Athlete of the Year in the Associated Press poll last week, yesterday won the Ray Hickock \$10,000 belt as "Professional Athlete of the Year."

In addition, the Metropolitan Golf Writers announced in New York that a new golf trophy, to be known as the Ben Hogan Award, would be given for the first time Jan. 21 to "a person who has overcome a handicap in order to play golf and thus has proved an inspiration to others."

Pro Rook's Past To Be Checked In Betting Case

NEW YORK — Investigation of the Jack Molinas incident, which rocked pro basketball, marked time Tuesday but both police officials and officials of the National Basketball Assn. announced steps growing out of the basketball star's suspension.

Bronx District Atty. George DeLuca said that all phases of Molinas' high school and college basketball career would be investigated when the former Columbia University player comes here from Fort Wayne in a few days.

NBPA President Maurice Podoloff, who set in motion the investigation leading to Molinas' suspension, announced he plans to hire a permanent investigator to prevent future incidents similar to the Molinas case.

Molinas, star rookie of the Fort Wayne Pistons, was suspended Sunday for betting on his team's games, even though he insisted he did not "have" points or throw games but bet instead on his team to win. Molinas said he placed the bet by telephone with a man in New York.

CHICAGO UP — Former Baseball Commissioner A. B. "Happy" Chandler next Monday will sign a contract as president of the International Baseball Congress calling for the 1955 world non-professional baseball tourney in Milwaukee's County Stadium.

Crisler Finds Football As Good Under One Unit

SARASOTA, Fla. — H. O. (Fritz) Crisler, often called the father of modern two-platoon football, said Monday the game is just as good under one-platoon, with the exception of kicking.

"Mechanics of the game last season with limited substitution were just as good, except for kicking," said Crisler, chairman of the NCAA Football Rules Committee which opened sessions here Monday.

"Coaches will see that kicking comes back up, given a little time. Trouble was that so many schools depended on their kicking from a fellow who usually couldn't—or didn't—do anything else."

Amid signs that one-platoon football is here to stay, although there may be some liberalization of the limited substitution rule, Crisler said he believes college football is a better game with double-duty players in action.

"Statistics show that pass defense improved considerably last year," the Michigan athletic director and former coach declared. "I think that is because coaches are keeping their 'blue chip' players in on defense as well as offense."

"Under the two-platoon system, in many instances, coaches would let their top-notch boys—especially backfield men—play offense and their second stringers play defense. Now we get the best boys both ways."

He noted that coaches last year voted 4-1 in favor of two-platoons, but this year they are 3-1 on the side of limited substitution. Many coaches, however, are clamoring for some modification of the rule, which divides the game into six segments and prohibits a player from returning to action if he already has played in that segment.

Lou Little of Columbia, chairman of the rules committee of the American Football Coaches Assn., said the coaches would like to see the rule changed so a player could see action twice in each period, with no time limits.

The greatest weight difference in a world championship fight occurred in the match between Primo Carnera and Tommy Loughran, March 1, 1934. Carnera weighed 270, Loughran 184.

Baltimore U. Averages 101

BALTIMORE — When Coach Al Barthelme adopts a basketball style he goes for it whole hog. Five years ago his teams had to be practically bribed to shoot and the scores read like a football result. Today, his Baltimore U team pops at the basket fast as a wink and is averaging a whopping 101.9 points a game, highest in the country.

In their last two games they poured in 142 and 131 points, the fourth time in seven games they've gone over the century. They don't miss often, either, making 48.4 per cent of their shots.

The outburst of scoring from the business college has the Mason Dixon Conference poyeoped. Two seasons ago, Baltimore won the conference post season tournament by avoiding shooting.

It beat three teams for the title by a margin of only five total points, 119-114. The three victims went into the tournament with a season's scoring average of around 70 points. They were held to a combined average of 38.

"Make every point try as much of a certainty as possible" were Barthelme's instructions then and his players followed them to the nervousness of opponent and fan. Barthelme first went to the extreme with possession basketball five years ago while coaching Towson Catholic High School. His team lost in a scholastic association playoff by the score of 14-12.

All-Pro Football Bowl Expected To Be Hot One

LOS ANGELES — The Cleveland Browns' head man, Paul Brown, says he expects both teams to score at least three touchdowns Sunday in the annual All-Pro Bowl football game in Memorial Coliseum, and that a field goal may decide the issue.

Brown has the best field goal kicker in the business, Lou (The Toe) Groza. The Los Angeles Rams remember distinctly that he beat them in the waning seconds of the playoff game for the world title in Cleveland, 30-28.

Brown said he is well pleased the way things are going with his collection of Eastern Conference stars, who will oppose the Western Conference outfit coached by Buddy Parker of the world champion Detroit Lions.

Brown has been working his squad twice a day, while Parker has been content to operate only once daily. The Eastern squad will continue right up through a Saturday morning workout, but Parker said he would finish Friday.

Major Sammy Lee, double Olympic high diving winner in the 1948 and 1952 Olympics, is a three-time national AAU champion.

In three of his four years in the National Football League, Dock Walker of the Detroit Lions has scored more than 90 points. He tallied 128 in 1950, 97 in 1951 and 93 in 1953.

Gus Bell, outfielder for the Cincinnati Redlegs, hit 15 home runs at his home park and 15 on the road in 1953.

Action May Be Taken to Stop Faking Injuries

SARASOTA, Fla. — Injury faking by football players to stop the clock is being studied by the NCAA Football Rules Committee and there is a possibility some action may be taken to prevent it.

"I don't know how we can legislate ethics," said committee Chairman H. O. (Fritz) Crisler of the University of Michigan, "but there are many things that could be done to prevent such faking."

"We could, for instance, stop the clock after each play in the last two minutes of the first and second halves. Or we could let it run during those periods."

The discussion was inspired by the Iowa-Notre Dame game last season which ended in a 14-14 tie. Twice in the closing seconds of the two halves the Irish came from behind and scored touchdowns when players claimed injuries.

Last week in Cincinnati the American Football Coaches Assn. denounced faking of injuries to stop the clock. The coaches said they would give full assistance to outlawing such faking in an effort to "maintain football on a high moral and ethical plane."

The rules committee received 25 suggestions Monday for changing the one-rotation system and rejected 22 of them, strengthening the general belief that the limited substitution rule is to stay.

NO RESERVED SEATS CORVALLIS UP — There are no reserved seat tickets for either Oregon-Oregon State basketball game to be played in Corvallis this season, Business Manager Jim Barratt said today. However, 3000 general admission seats will go on sale the date of each local game, Jan. 29 and Feb. 27.

FANFARE

Dark Star's Derby Win Voted Upset of the Year

NEW YORK — It was late in the afternoon at rambling old Churchill Downs last May 2 and more than 100,000 persons had been milling around for hours waiting to see a "sure thing" become the first grey horse in history to win the Kentucky Derby.

At 4:32 p.m. that warm, sunny day, 11 of the nation's best 3-year-olds slammed out of the starting gate, with a tough mile and one quarter run ahead of them, and a 90,000 prize for the winner.

Native Dancer, never beaten in his brilliant career, just had to win at odds of 70 cents on the dollar.

But a fleet little colt named Dark Star, almost 25 to 1 on the tote board, came out of there with a rush, jumped into the lead almost at once, and then stayed there to the end as he beat off the closing spurt of the touted dancer to win by a head.

Sox Contenders, Trucks Thinks

CHICAGO — Veteran right-hander Virgil (Fire) Trucks did some crystal gazing Tuesday and saw the White Sox as 1954 pennant contenders with a chance for the title "if another deal or two is made."

Trucks would not elaborate on the deals in mind — a department ruled over by Trainer Horn Frank Lane — but the 34-year-old pitcher thought the Sox "need a little more strength."

Trucks will receive the Chicago Baseball Writers' Assn. award Sunday for making the outstanding comeback of 1953.

Vancouver Gets Catcher Pesut From Tri-City

SEATTLE — Vancouver of the Western International Baseball League is sending three players to Tri-City in exchange for Nick Pesut, one of the W.I.L.'s top catchers in 1953, the Tri-City general manager said Monday.

Eddie Taylor said right-handed pitcher John Goldberg, shortstop Charles Davis and southpaw hurler Robert Knudson will wear a Tri-City uniform in 1954 as a result of the deal.
