# Rules Group Keeps One **Grid Platoon**

By PEN FUNK
SARASOTA, Fia. 48 — College football must keep its one-platoon system and must get rid of such practices as the faked injury and the sucker shift.

the sticker shift.

This verdict was handed down yesterday by the Football Rules Committee of the National Collegiate Athletic Assn.

The committee turned down all efforts to liberalize the limited substitution rule which went into effect last season and proved immensely popular with football fans.

Take. Injuries Condemned

The most surprising development of the meeting was the strong condemnation of such "nonethical" practices as injury faking to stop the clock and false starts intended to pull the opposition offs'de.

In what appeared to be mainly a siap at Notre Dame, the committee unanimously approved a resolution declaring that injury faking is "dishonest, unsportsmanlike and contrary to the rules."

Notre Dame players were accused last season of feigning injuries in the Iowa game to stop the clock and gain time for touchdowns in the closing seconds of each half. These scores enabled the Irish to escape with a 14-14 tie.

Last season, there were reports of such incidents in the Southeastern and Missouri Valley conferences. To Rely on Cosches The Rules Committee said that, for the present, it would "rely on the integrity of the coaches and players rather than upon further legislation" to wipe out these unethical procedures. The deal, completed yesterday, sent Pirates' righthander Murry Dickson to the Phillies for in-fielder Jack Lohrke, pitcher Andy

Hansen and the \$80,000.

Carpenter promptly declared that the addition of 37-year-old Dickson gave the Phillies the top pitching staff in the National pitching staff in the National League. Rickey, whose recent re-quest for more working capital was turned down by club execu-tives, reported that he was pleas-ed with the deal.
