SNOW IN THE ALLEY

SNOW IN THE ALLEY After brushing the snow off my typewriter and notes, I find we had quite a week in bowing. Biggest news of the week was the night enjoyed by everyone in the Majors Wednesday nite. Out of 156 games bowled, 52 were over 200 and there were 11 800 series. Biggest effort of the evening was turned in by Duane Cush-man's Marion Hotel & Car Parks team as they all but blistered the alleys turning in a 4277 series after opening up with a 1165 game, both of which were high for the evening of the season. Leading the attack was Duane with 1609, closely sup-ported by Dick Morris with 808 and Harvey Page with 802. Their game and series erases the old marks of 1162 and 4167 set only last week by Brennan Tree Service. Almost unnoticed by the rest of the bowlers was Gardner Grooryr who clinched the first half pen-nant by turning back Gerlinger Carrior Co. 3 to 2 in spite of the 828 by Dean Henderson. Gard-ner's won the bunting by one game of the Grocerymen were game for the Grocerymen were to the Car Park outfit. Big games for the Grocerymen were to prove the set of the Se and Bab

game of the Car Park outfit. Big guns for the Grocerymen were Tony Prudente with 856 and Bob Ryan with 828. Gardner's hit for 1151 and 4215 for the evening and also turned in the high scratch game and John Glodt checked in with a 265 to lead single game efforts, both dark men automa-tically qualifying for the 260 club. Consistancy is the trademark of a good bowler and it looks to us like Bob has made the grade. Gther maximum efforts for the week were Mike McFarlane in the Classic with 634; Dean Henderson with 619 in the same league; John Bone of West Salem Machinery joined the carbon copy club with his 186 triplicate series; Salem Hardware in the same league; John Bone of West Salem Machinery joined the carbon copy club with his 186 triplicate series; Salem Hardware in the same league; John Bone of West salem Machinery joined the carbon copy club with a his 186 triplicate series; Salem Hardware in the same league almost joining the club as a team when they fired games of 844-844-845. Willie West was the dog who got too many pins with his last ball in order to get his team out of the rut. Bib Eckstrom finishing fast for 607 in the University Commercial No. 1; Gertie Carr shooting a stairstep, almost, as she rolled games of 122, 121, 123 for a 366 series. NORTHWEST WOMEN GO TO BOISE

NORTHWEST WOMEN GO TO BOISE Of special interest to the women is the fact that the North-west Women's Bowling Championships will be held in Boise, Idaho, April 17th through May 16th. Women from Washngton, Oregon, Idahó, Montana, British Colombia, and Alaska will be participating for the championships in four classes, A.B.C, and D. Trophies, as well as cash, will be awarded the winners in each event. Entries close on March 15 and now is a good time to start planning for the trip so as to get preferred times. Veva Lemon, Boise Women's Sceretary, is handling entry applications and these have been forwarded to all alleys. An ex-tensive social program is being planned b, the Boise gals so that every one visiting the spud state will have a memorable time. PHIPPS STILL ROLLING PIPS

Two teams will be making the trek out to the duck pin palace at that time to take on the little ball men. Those who would like to shoot, please sign up with Dick or Duane at the Canitol Alleys. Tom tells me he would also like a women's match. Any ladies interested in a home and home match with the midget masters let me know sometime this week. Sam the Bookie will be at a local restaurant frequented by the bowling bugs to take all wagers on the outcome.
